Safety Signage

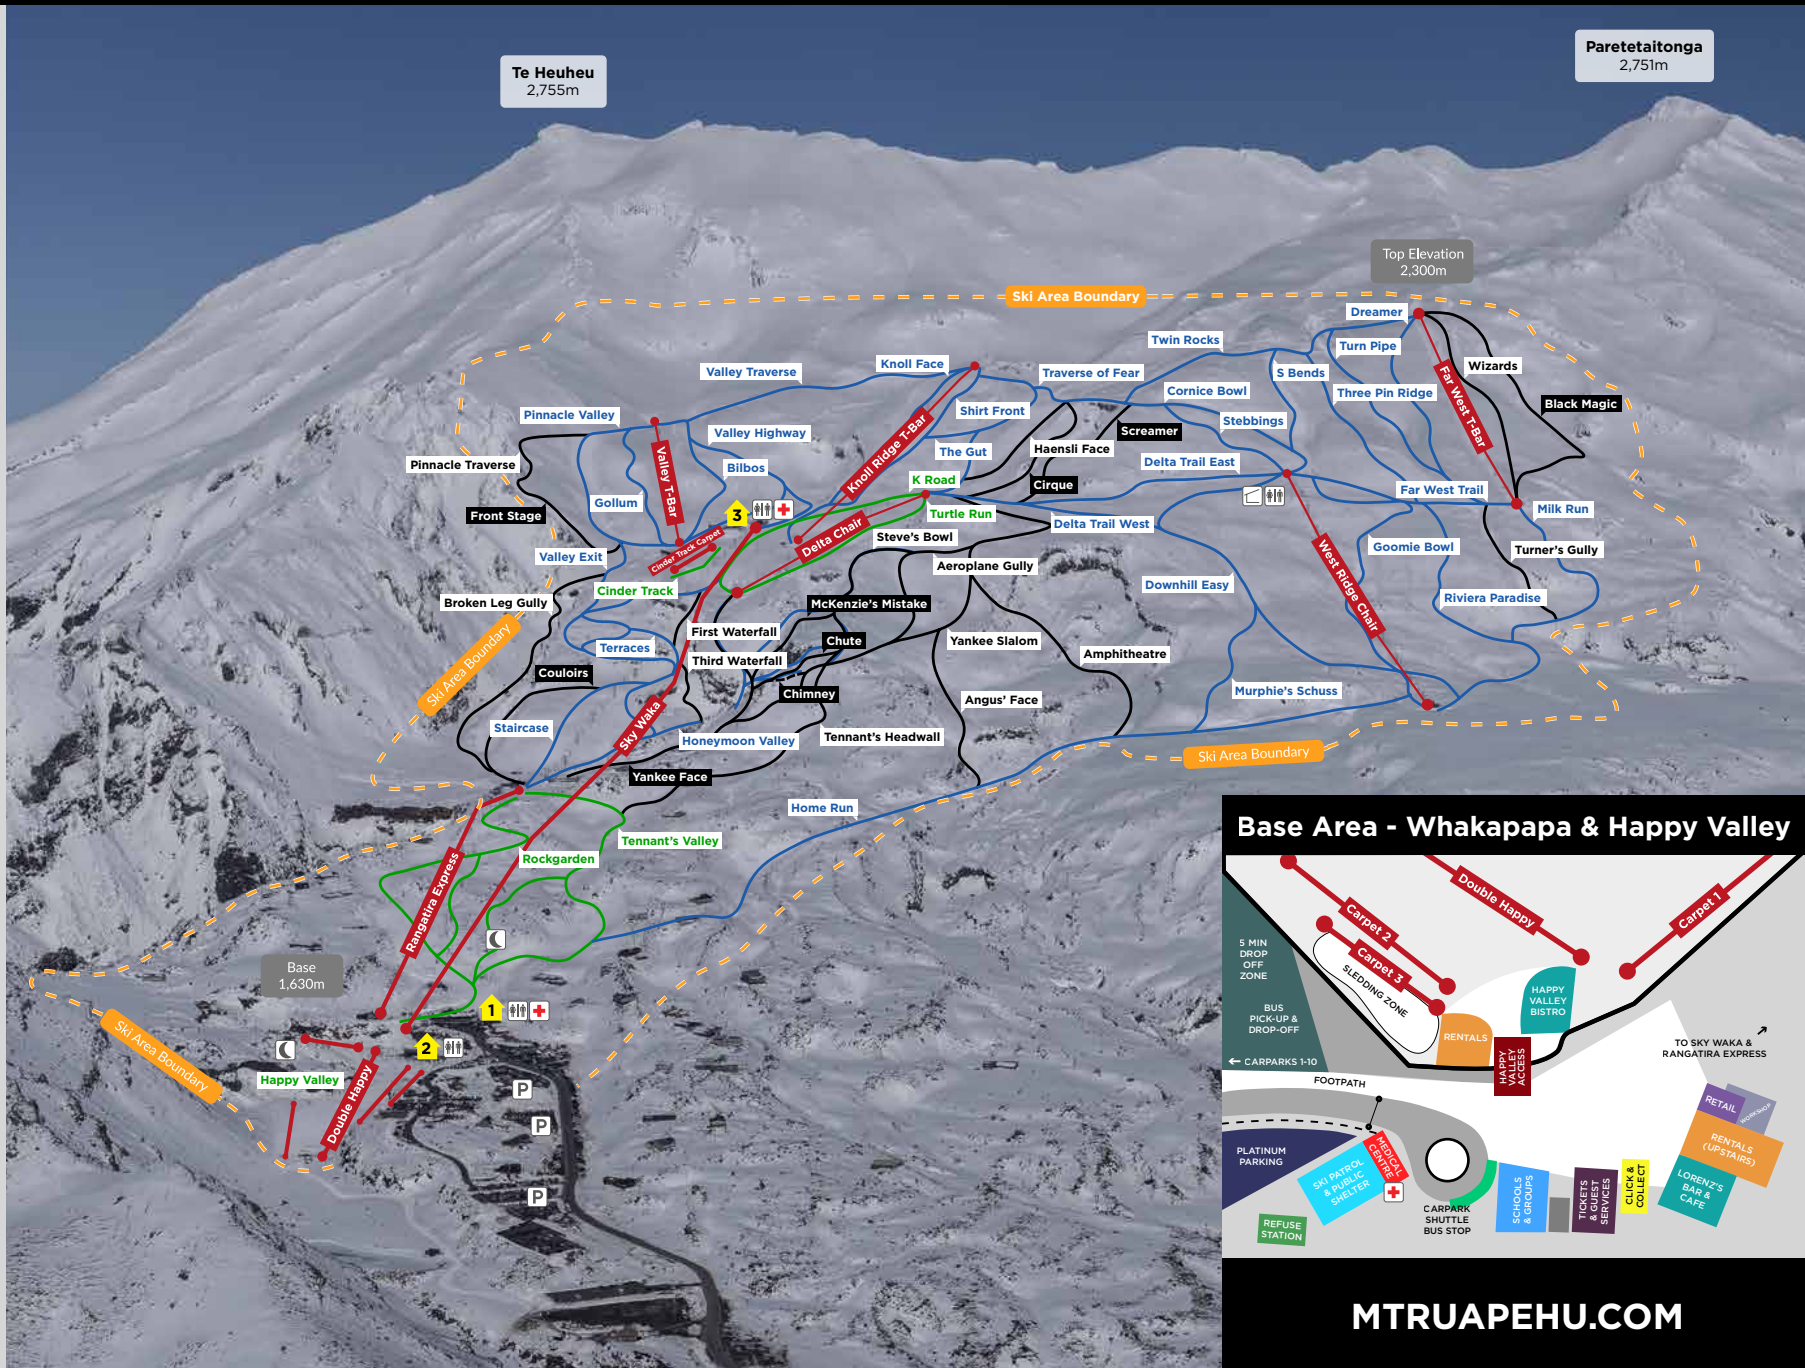

DANGER
This sign identifies cliff areas and the terrain beyond should be treated with caution.

CLOSED
This sign marks an area or trail as closed. Violators may have skiing or boarding privileges suspended.

CAUTION
Areas marked with this sign require caution. These signs denote rocks, ice and trails merging.

SKI AREA BOUNDARY
There are no safety services or avalanche control measures beyond this point. You are considered a backcountry user.

HAZARDOUS AREA
This sign denotes the area beyond is hazardous in general and uses the message "Keep Out" to indicate that the area is a no go zone.

Base Area - Whakapapa & Happy Valley
