

Know a Doctor keen for the Slopes?

(14 May 2025) - We're on the lookout for doctors to join our team at Whakapapa for the 2025 winter season and we'd love your help finding the right people.

Whether it's a friend, family member or someone in your wider network, if you refer a doctor who's successfully hired for the role, we'll thank you with a **referral reward** which includes a **2025 Winter Season Pass** and **four Anytime Passes** to share the mountain magic.

More info on the role is available here:

[Doctor Role - Whakapapa](#)

Referral Terms and Conditions

- The referral reward includes one (1) 2025 Whakapapa Winter Season Pass and four (4) 2025 Anytime Passes.
- A "successful referral" means the referred doctor is offered and signs a contract to work at Whakapapa for the 2025 winter season.
- The reward will be issued once the contract has been signed by the successful candidate.

- Referrers must have a genuine connection to the candidate which will be verified and must provide the full name and contact details of the referred doctor at the time of referral.
- If the candidate resigns or does not complete the full winter season, the referrer's pass will be cancelled.
- Current staff members are eligible to refer and the benefits may be nominated to someone else to receive the reward on their behalf.
- The referrer's pass is transferable to another nominated person.
- Only one reward will be issued per successful candidate — if multiple people refer the same doctor, the reward will go to the first person who submitted the referral.
- Referrers must provide the full name and contact details of the referred doctor at the time of referral.
- The offer is valid for referrals made before all positions are filled.
- Management reserves the right to amend or withdraw this offer at any time.
