SOME OF OUR SPONSOR ACTIVATIONS AND ENGAGEMENTS

Sunday Summits

NVIDIA hosted a summit in partnership with Oracle on GenAI in Banking and Fintech that covered the realities of what it takes to implement an innovative strategy around the most groundbreaking technology of our time.

The MoneyPot Stage

An interactive space where experts delved into the need-to-know topics and encouraged audience engagement. Featured sessions include Google Cloud, Green Dot, Experian and HSBC.

Converge Stage

Powered by Convera. An action-packed, high-paced experience where content was constantly flowing with a wide range of topics, all in a beautiful setting. There was also a bespoke Convera podcast booth producing relevant and inspiring industry content.

NETWORKING WITH FINTECH'S FINEST

Hosted Meals

Attendees took a deep dive into key industry topics with exclusive subject matter experts while networking in a more intimate setting. These meals were not to have been missed!

Money Row

From dawn to dusk... attendees had the opportunity to connect with industry titans at Venetian's hottest restaurants while getting business done at scale.

Curated Meetings

Whether at Must Meet or Startup Connect, networks grew (and then grew some more) at our inaugural initiatives.
