

Hi there!

Thanks for reading and congrats on deciding to tackle your debt!

See below for the links to our free debt snowball tool - the first link for Google Sheets, and the second for the Excel download.

To access the Google Sheets worksheet, you'll need to log into a Google account. If you don't have one, simply go to Google.com > Sign In > Create Account. Once you have an account, you'll just click the above link and select, "Make a copy" to save the file on your own Google Drive.

Enjoy! And best of luck paying off your debts!!
