

To Springboard's volunteers:

Thank You!

WE DON'T EXIST WITHOUT OUR VOLUNTEERS.

Since 2007, New Zealand principals, teachers and students have learned from:

409 EXPERTS

Our volunteer Capacity Partners, Coaches, Facilitators and Engagement Managers - each with unique perspectives and experiences

Together, they have freely given...

6,291 HOURS

Of work in 2019 alone - that's 8.5 months of nonstop work, all done for the love of education.

That work has benefited at least...

1,000 SCHOOLS

From the Far North to South Canterbury, in metropolitan centres and some of our most remote areas

That work has impacted...

154,212 STUDENTS

Your volunteer work creates the conditions for young New Zealanders' success

What we're saying is...

WE COULDN'T DO IT WITHOUT YOU.

From all of our principals, leaders and the Springboard team: Thank you so much.
You've made a difference in our schools.
