Your own Club can also face disciplinary action if any of its supporters are found to have engaged in this behaviour.

All opening hours are from Monday to Friday from 09:00-17:00

West Ham United FC is committed to promoting equality and diversity across the Club and its supporters. We want to create a safe, inclusive and enjoyable matchday experience for all supporters visiting London Stadium and Victoria Road Stadium, the hosts for all our home fixtures.

The Club will not tolerate any form of abuse and has a zero-tolerance policy towards abuse and anti-social behaviour. This is in line with our Ground Regulations, Supporter Conduct Charter and Banning and Sanctions Policy.

We have reviewed our matchday policies ahead of this season, including our current 83121 messaging service.

To ensure the messaging service remains easy to use, this season, we have launched a new and dedicated text message number, synonymous with the Club's history. This is a single reporting line for supporters to report matchday incidents on and is received direct by the Club. There is no need to type in any prefix, before sending a message. Because this is a dedicated messaging service for our supporters, just simply type your message and press send.

This is a discreet reporting mechanism and the best way for supporters to get in touch and report something to us on a matchday.

Our previous 83121 reporting service is no longer in use.

The new service is easy to use and is a text messaging service only. If you see anything which is abusive or discriminatory or want to report something which is spoiling your matchday experience, you can send a text to report this.

THE NUMBER IS 07701401966 (+44 7701401966)

THE TEXT MESSAGE SHOULD INCLUDE RELEVANT INFORMATION ONLY. THIS WILL HELP US UNDERSTAND THE ISSUE AND IF REQUIRED, GET THE HELP NEEDED TO THAT SPECIFIC AREA
