

SUPPLIER GENERAL TERMS & CONDITIONS

PURCHASE ORDERS

Kohler Energy and its affiliates and subsidiaries (collectively, "Kohler") may submit Purchase Orders to you ("Supplier") that describes the service(s) and/or product(s) (which may include equipment) that Kohler wishes to purchase from Supplier. If Kohler and Supplier have previously executed or do execute a separate, written negotiated agreement governing the services and/or products (the "Negotiated Agreement"), then the Negotiated Agreement will apply to those services and/or products starting as of the effective date of the Negotiated Agreement. If there is no Negotiated Agreement, these Supplier General Terms & Conditions will govern. No terms or conditions provided by Supplier will apply to its provision of the services or products, and such terms and conditions are hereby rejected by Kohler. Any specifications and/or other materials submitted by Kohler to Supplier and all documents at <https://www.kohlereenergy.com/conducting-business> are incorporated herein and made a part hereof. All of the foregoing are hereinafter collectively referred to as the "Contract".

Kohler will submit each Change in writing to Supplier, and, upon receipt, Supplier will promptly submit a Change impact estimate, if any, to Kohler, which will include all necessary revisions to the project schedule and increases or decreases to the price. Kohler will review the estimate and notify Supplier whether to proceed with such Change.

Supplier. Title and risk of loss in the products will pass to Kohler when the products are delivered in accordance with this Contract, except for any product loss or damage due to the inadequate, inappropriate, or defective packaging by Supplier. Acceptance of all services and products are conditioned upon Kohler's express written approval.
