ELSEVIER

Elsevier 360 *for* Nursing

Simplify nursing education with Elsevier 360

The only comprehensive program solution of its kind, Elsevier 360 supports your students' nursing school journey from day one all the way to the NCLEX®. It provides everything you need to ensure student success through each stage of the learning cycle as they build knowledge, develop clinical judgment and assess content mastery.

Elsevier 360 offers:

Trusted content — equip your students with the most authoritative, up-to-date content aligned with the latest advances in nursing education and the newest NCLEX test plan.

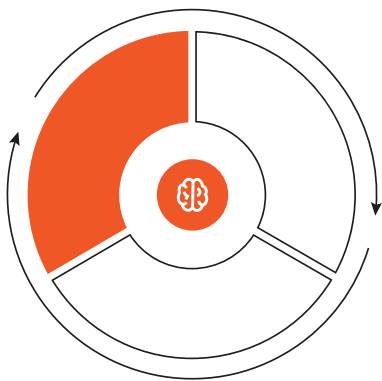

Seamless integration — streamline your program with consistent course materials from a single, trusted partner that all work together to elevate the learning experience.

Actionable insights — track student progress and program performance with precise, data-driven solutions that help you easily identify strengths, areas to improve and NCLEX readiness.

Expert support — access premium curricular support and valuable guidance designed to help you optimize student outcomes and program success, every step of the way.

Build knowledge

Cultivate knowledge development throughout your curriculum with Elsevier's market-leading content and engaging digital learning tools. We offer everything needed to help students fully absorb the key concepts that form the foundation for their success.

- Sherpath Vantage®
- Sherpath® with Elsevier Adaptive Quizzing
- Osmosis® videos within Sherpath
- Sherpath AI within Sherpath
- Textbooks — print and ebooks
- Study guides
- Evolve resources

Sherpath Vantage

Everything you need to deliver a highly effective, interactive course experience — ***all on a single platform***

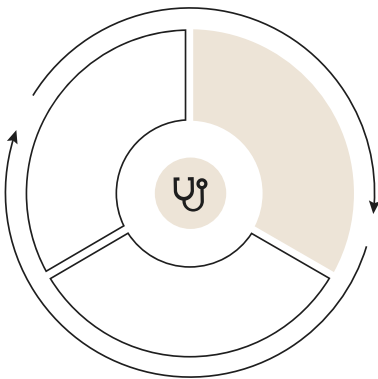

Sherpath Vantage includes:

- Elsevier ebook
- Comprehensive digital lessons
- Assignment data and performance analytics
- Elsevier Adaptive Quizzing (EAQ)
- Sherpath AI
- Osmosis videos for select collections
- Shadow Health® Digital Clinical Experiences™
- Enhanced test banks powered by Elsevier's Assessment Builder for select collections

Apply clinical judgment

Provide a wide range of content-based clinical scenarios that allow students to immerse themselves in realistic patient interactions. Our safe, learning-based environments are ideal for honing their clinical judgment and therapeutic communication skills.

- Sherpath Vantage
- Shadow Health Digital Clinical Experiences
- Course-Based SimChart®
- SimChart for Nursing
- Simulation Learning System for RN with Virtual Reality
- Clinical Skills

Shadow Health Digital Clinical Experiences

Put the patient at the forefront of the learning experience with high-fidelity, screen-based simulations.

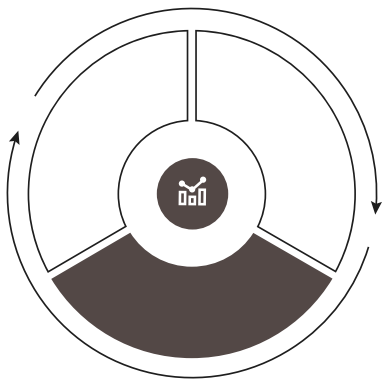

Shadow Health benefits:

- Features 80+ lifelike, diverse patients
- Students use their own words to communicate
- Patients can answer millions of unique questions
- Accurately measures student clinical reasoning
- Provides instructor insights in a Practice Readiness Dashboard
- Builds clinical judgment skills
- Aligned with AACN's new *Essentials* (2021)

Assess & review

From day one to the NCLEX, monitor student progress at key points in your program with review and assessment tools that help them gain the skills and confidence they need for exam and career success.

- HESI® RN Specialty Exams
- HESI RN Exit Exam
- HESI Clinical Practice Readiness Assessment
- HESI RN Live/Virtual Review
- HESI Compass
- HESI Readiness for NCLEX® Dashboard
- Review and testing titles by leading experts
- Elsevier Adaptive Quizzing for the NCLEX-RN® Exam
- Elsevier's Assessment Builder

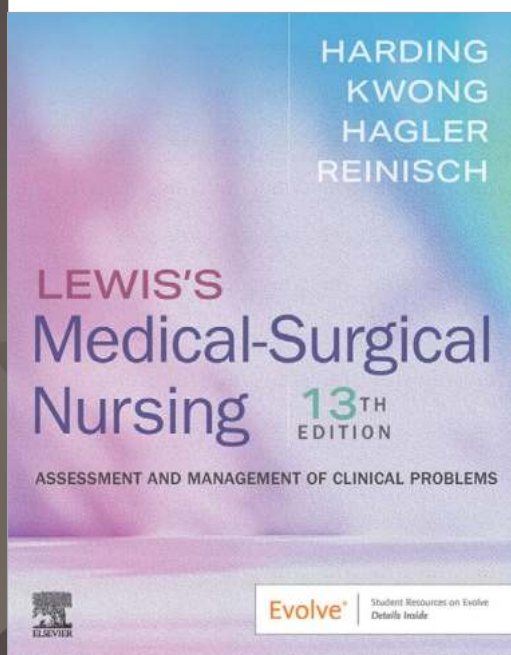

HESI Review and Testing

Our valid and reliable HESI assessment and preparation products work together seamlessly to provide the detailed diagnostic data you need to enhance and strengthen your students' NCLEX readiness, your curriculum design, and your program outcomes.

With real-time, at-a-glance dashboards, you'll have access to:

- **Dedicated Next Generation NCLEX (NGN) reporting** that highlights performance on nursing content area, NGN item type, and associated clinical judgment skills
- Comprehensive synopses of **individual student exam performance**
- Institutional data on **student, aggregate, and national comparison data**
- Data regarding key **nursing themes and topics** to consider adding, updating, or removing as you revise your curriculum
- Pertinent data for your next **accreditation visit**

New edition!

February 2026 • ISBN: 9780443123832

Also available in Sherpath

Prepare students for success in medical-surgical nursing

- **Updated content** reflects the latest research evidence and national and international guidelines.
- **Enhanced emphasis on clinical judgment** and preparation for the Next-Generation NCLEX® (NGN) Examination, including NGN-style review questions on the Evolve companion website, equips students for NGN success and safe clinical practice.
- **Stronger integration of nursing concepts** features key concepts from the 2020 AACN *Essentials*, the 2020-2030 Future of Nursing Report, and Healthy People 2030.

Included with the text...

Educator Resources on Evolve

- TEACH for Nurses lesson plans
- PowerPoint® slides
- Test bank with 2,000+ questions
- Clinical judgment and NGN-style case studies

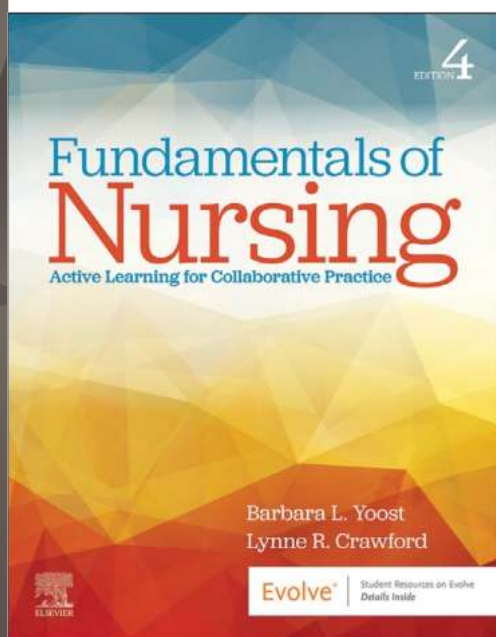

Student Resources on Evolve

- Interactive case studies with animations
- Conceptual care map creator
- 1,300 NCLEX®-style review questions
- 60 customizable nursing care plans

Complete your course with...

- Sherpath Vantage
- Clinical Companion
- Study Guide

New edition!

February 2026 • ISBN: 9780443280177

Also available in Sherpath

Offer your students an easier, fundamentally different way to learn the nursing profession

- **NEW!** Expanded coverage of topics affecting nurses today, such as **telehealth and AI in nursing education and practice**.
- **NEW!** **Next-Generation NCLEX® (NGN)-style questions** at the end of each chapter help students develop essential clinical judgment skills.
- **UPDATED!** **Content addresses the latest evidence-based practice**, including the most current information on infection control standards, oxygenation, caregiver fatigue, community care, and more!

Included with the text...

Educator Resources on Evolve

- PowerPoint® slides
- Test bank with 1,250+ questions
- Clinical judgment and NGN-style case studies
- Conceptual care map grading rubric

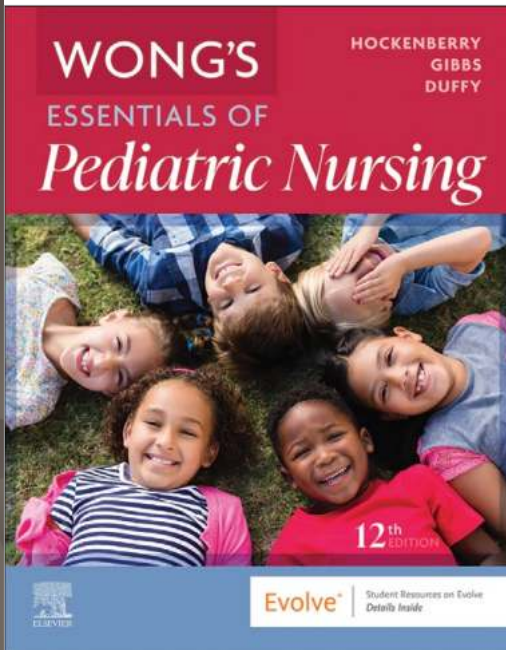

Student Resources on Evolve

- Answer keys for textbook exercises
- Conceptual care map creator
- Interactive review questions
- Skills checklists

New edition!

Help your students learn to make accurate drug calculations and administer medications safely

- **NEW! Expanded medication error content** includes information for avoiding “near-miss” errors.
- **NEW! Intravitreal route** added to the discussion of routes of medication administration.
- **NEW!** Updated content presents **newer drugs and the most up-to-date labels** for all medications.

January 2026 • ISBN: 9780443127342

Also available in Sherpath

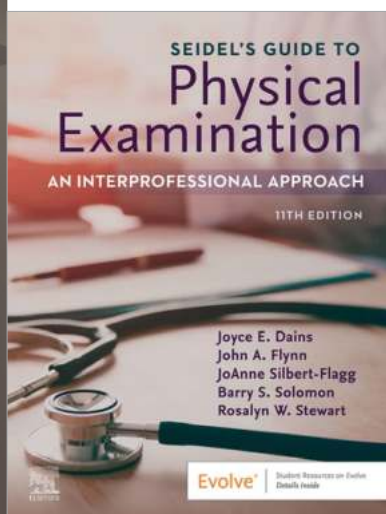

New edition!

Give students a solid foundation in psychiatric nursing with this comprehensive, evidence-based text

- **NEW! Updated content throughout** reflects the latest research and clinical practice.
- **NEW! Current coverage** incorporates the 2021 AACN *Essentials*, the latest APA guidelines for patient care, and the most up-to-date DSM-5-TR™ content.
- **NEW! Elsevier's Assessment Builder** enables faculty to create Next-Generation NCLEX® (NGN)-style questions with guided authoring templates for all NGN item types, including standalone and unfolding case studies.

January 2026 • ISBN: 9780443249174

Also available in Sherpath

New edition!

Teach your students how to conduct a patient-centered health history and physical examination

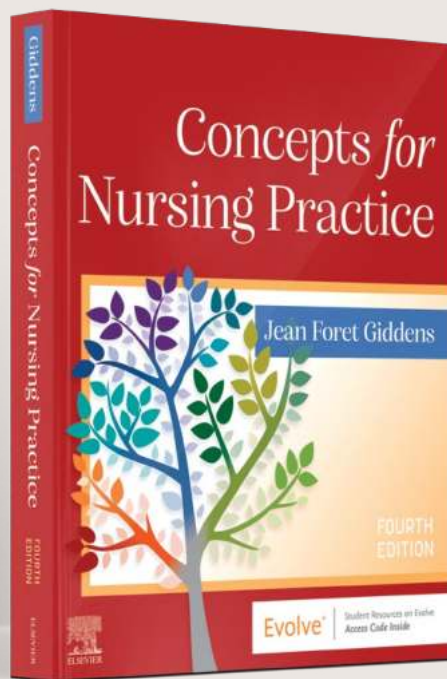

- **NEW! Updated content** offers the latest standards in health assessment, alongside **fresh artwork** that visually reinforces key concepts.
- **Interprofessional collaborative approach**, written by two advanced practice nurses and three physicians, presents balanced expertise in both pediatric and adult-geriatric health.
- **Compassionate, patient-centered approach** emphasizes developing good communication skills, using effective, hands-on examination techniques, and strengthening clinical reasoning and clinical decision-making skills.

February 2026 • ISBN: 9780443348150

Create an effective and flexible
concept-based nursing curriculum with

Sherpath *for Giddens*

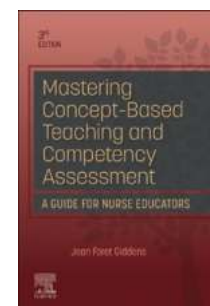

Designed for the way students learn today, **Sherpath is the digital-first, personalized teaching and learning technology that delivers interconnected course content and tools in a single interface.**

Sherpath integrates into existing learning management systems and fully includes the *Concepts for Nursing Practice*, 4th Edition, ebook by conceptual learning expert Jean Giddens.

ISBN: 9780443269288

Through a single, user-friendly interface, Sherpath for Giddens delivers:

- **Straightforward, intuitive coverage of 60 important concepts** spanning the areas of patient physiology, patient behavior, and the professional nursing environment.
- **Sherpath AI** chat tool generates personalized answers to your questions, sourced solely from Elsevier's vast library of trusted, evidence-based content.
- **Dashboards and holistic analytics** on both individual student and overall class performance and engagement.
- **And much more!**
- **NEW! Six new concepts** — Clotting; Well-Being and Resilience; Person-Centered Care; Diversity, Equity, and Inclusion; Public Health Emergencies; and Spheres of Practice.
