ELSEVIER

Elsevier's *Dental Assisting* education solution

Elsevier is the only education provider that can deliver everything you need to ensure student success through each stage of the learning cycle as they build knowledge and assess content mastery.

Build knowledge

Cultivate knowledge development throughout your curriculum with trusted content and engaging digital learning tools that help students absorb the key concepts that form the foundation for their success.

- Textbooks — print and ebooks
- Sherpath®
- Sherpath AI within Sherpath
- HESI® Admission Assessment Exam
- Study guides
- Evolve resources

Assess & review

Monitor student progress at key points in your program with review and assessment tools that help them gain the skills and confidence they need for credentialing exam and career success.

- HESI Dental Assisting Practice Exam
- HESI Dental Assisting Exit Exam
- HESI reporting
- Sherpath performance dashboard

Digital course delivery built for healthcare education

Sherpath powers trusted Elsevier texts with all-in-one digital resources that streamline class preparation and assessment and give students personalized help to reach their learning goals. Sherpath fully includes the ebook content for one-stop digital course delivery.

Sherpath for Robinson:

*Modern Dental Assisting, 14th Edition**

ISBN: 9780443269226

Sherpath for Iannucci:

Dental Radiography, 6th Edition

ISBN: 9780443269325

Sherpath for Robinson:

Essentials of Dental Assisting, 7th Edition

ISBN: 9780443269257

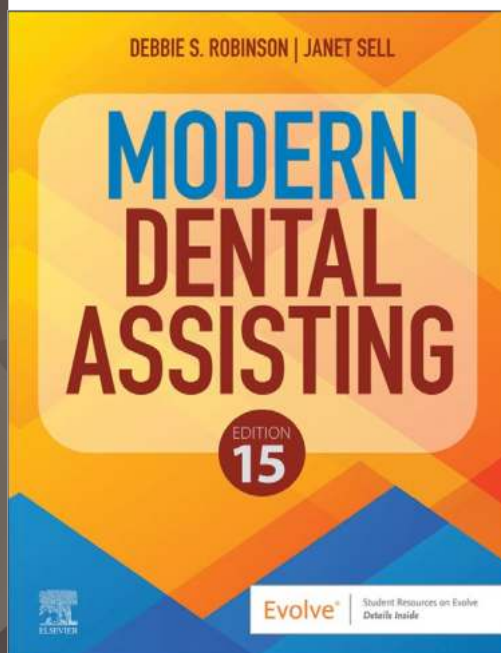

**Digital lessons available*

These key features are integrated into Sherpath's simple, seamless, and supportive environment:

- **Course Plan** allows you to easily drag and drop modules based on your schedule, plan assignments, and make relevant teaching materials and reading passages available to students.
- **Sherpath AI** chat tool generates personalized answers to your questions, sourced solely from Elsevier's vast library of trusted, evidence-based content.
- **Digital lessons** (only available for select collections) align with learning objectives and create an engaging, didactic experience with multimedia, confidence indicators, adaptive remediation, mini assessments, and a final assessment.
- **Elsevier Adaptive Quizzing** personalizes quizzes based on each student's performance and allows you to choose relevant topics on which to quiz your students.
- **Enhanced test banks** give you all-in-one access to your test bank from your Sherpath courses.
- **Performance dashboard and reporting capabilities** help you gauge student progress and areas of strength, weakness, confusion, and confidence throughout the course to give a holistic view of any topics of misconception or students who are struggling.

New edition!

April 2026 • ISBN: 9780443268724

Also available in Sherpath

Help students master all aspects of dental assisting with this trusted text

- **NEW! Fresh illustrations** enhance an already stellar art program that features more than 1,600 images.
- **NEW! Coverage of up-and-coming technologies**, including 3D printing and artificial intelligence, prepares students to work in a modern dental office.
- **Comprehensive, cutting-edge content** is presented in an approachable writing style with step-by-step guidance on performing general procedures and expanded functions.

Included with the text...

Educator Resources on Evolve

- TEACH instructor resources, including lesson plans, PowerPoint® slides, student handouts, and answer keys
- Test bank with 2,500 questions
- Competency skill checklists

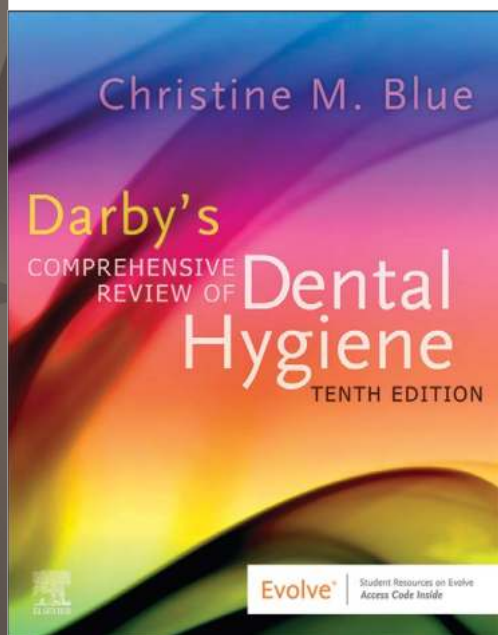

Student Resources on Evolve

- 80 procedure videos
- *Dentrix®* practice management software
- *Interactive Dental Office*

Complete your course with...

- Sherpath
- Boyd: *Dental Instruments*
- Workbook

New edition!

February 2026 • ISBN: 9780443245657

All-inclusive review prepares students for NBDHE success

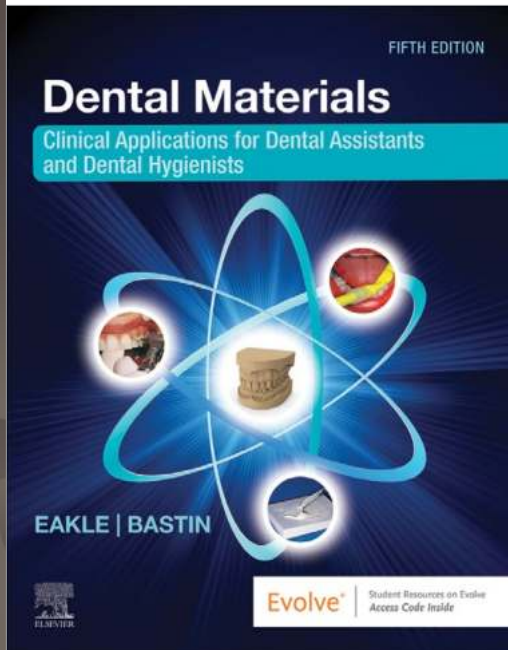

- **NEW! Cases simulating the Dental Hygiene Licensure Objective Structured Clinical Exam (DHLOSCE™)** on the Evolve companion website help students prepare for this new national clinical licensing examination.
- **UPDATED!** Content reflects the latest advances in areas such as **scientific knowledge, dental materials, and treatment protocols**.
- **Comprehensive review in an outline format** includes chapter review questions, case studies, illustrations, and clinical photos for easy study and review.

Included with the text...

Student Resources on Evolve

- Four 350-question simulated NBDHE exams with a timer for exam mode and the ability to choose the topic, case study, and number of questions in study mode
- DHLOSCE-style cases
- Answer key with rationales for chapter review questions

New edition!

March 2025 • ISBN: 9780443114984

Familiarize students with the uses, properties, and handling of dental materials

- **NEW! User-friendly features**, including *Key Points* boxes throughout the chapters, more bulleted lists, and shorter paragraphs help students process complex topics more easily.
- **NEW! Do You Recall boxes** pose questions covering important concepts immediately after they're presented to support knowledge development.
- **NEW! Step-by-step procedure videos** on the Evolve companion website reinforce techniques presented in the text.

Included with the text...

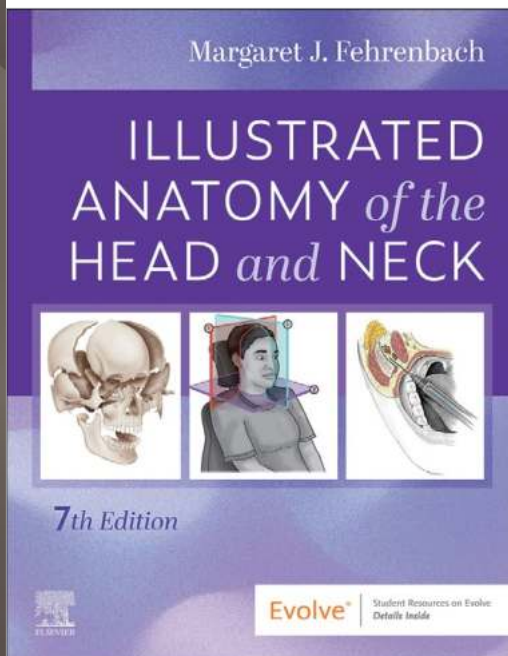

Educator Resources on Evolve

- TEACH instructor resources, including lesson plans, PowerPoint® slides, and student handouts
- 750-question test bank
- Image collection

Student Resources on Evolve

- Chapter practice quizzes: 275 questions total with answers, rationales, and page-number references
- Competency skills forms
- Procedural videos

New edition!

December 2025 • ISBN: 9780443127298

Give students a thorough understanding of head and neck anatomy

- **NEW! Comprehensive introduction to orofacial anatomic foundations** with realistic dental patient figures and updated terminology concepts allows for a complete understanding of the basis for designations of structures.
- **NEW! Discussions of the latest head and neck examination and local anesthetic topics** include the most effective clinical methods in both areas.
- **NEW! Evidence-based research** discusses bone fractures, common muscle and nerve pathologic conditions, temporomandibular joint disorders, and workup for infection during patient care.

Included with the text...

Educator Resources on Evolve

- TEACH instructor resources, including lesson plans, PowerPoint® slides, student handouts, and workbook answer key
- Test bank with answers, rationales, and mapping to the CDA and NBDHE test blueprints
- Image collection

Student Resources on Evolve

- Chapter practice quizzes with answers and rationales for self-assessment
- Review and assessment questions
