Rajiv Gandhi University of Health Sciences (RGUHS)

Dear RGUHS Fraternity of Faculty and Students

Welcome to HELINET, a state-wide network of digital knowledge resources, from medical textbooks to research journals and multi-media learning tools! I am delighted to announce a new system through which you can access these resources at your fingertips, from anywhere, any time, and any device – laptop or mobile. Every one of our two lakhs plus users in RGUHS system will get an individual userID and password to access HELINET resources. I advise you to use these knowledge resources well to constantly learn and stay updated in pursuit of your studies and professional career. Happy learning!

Prof. M. K. Ramesh,
Vice Chancellor

Digital **E-Resources** For You

eJournal eBooks QUESTION

Click on the button **Login** - <https://rguhs.remotlog.com/login#login>

- On the login page – enter your Username and Password

The screenshot shows the homepage of RemotLog at Rajiv Gandhi University of Health Sciences (RGUHS). The browser address bar displays "rguhs.remotlog.com". The navigation menu includes "Home", "Digital Resources", "Contact Us", "Login", and "Signup". The "Login" button is circled in red. Below the navigation, there is a banner for "Rajiv Gandhi University of Health Sciences (RGUHS)" featuring a photo of Prof. M. K. Ramesh, Vice Chancellor, and a welcome message. The main heading is "Digital E-Resources For You".

The screenshot shows the login page of RemotLog. The browser address bar displays "rguhs.remotlog.com/login#login". The navigation menu includes "Home", "Resources", "FAQ", "User Manual", "Contact Us", "Login", and "Signup". The main heading is "Login to access resources". There is a dropdown menu for "RemotLog" and input fields for "USERNAME:" and "PASSWORD:". A "REMOLOG LOGIN" button is present, along with a "Forgot Password?" link. A "Report Issue" button is visible on the right side.

Note: If you don't know your username and password, please speak to your institute librarian.

After successfully logging-in you will be directed to the home page where you will find all the resources.

From Elsevier you have access to following Resources:

1. Clinical Key Student
2. Complete Anatomy

The screenshot displays the home page of the RemotLog website. The browser address bar shows the URL rguhs.remotlog.com/resources#modal. The page features a navigation menu with links for Home, Resources, FAQ, User Manual, Contact Us, Login, and Signup. The main heading is "Digital E-Resources For You". Below this, there are eight resource categories, each with an icon, a title, and an "Open" button:

- E-Journals**: Represented by an eJournal icon.
- E-Books**: Represented by a book icon.
- E-MultiMedia**: Represented by a play button icon.
- Question Banks**: Represented by a "QUESTION BANK" icon.
- Thesis Dissertation**: Represented by a graduation cap icon.
- Trial Resources**: Represented by a "FREE TRIAL" icon.
- Point of Care**: Represented by a location pin icon.
- Videos**: Represented by a play button icon.

A vertical orange button labeled "Report Issue" is located on the right side of the page.

How to Access **ClinicalKey Student**

- On the Remote Log homepage click Open on the e-books tab

- It will open the eBooks tab with all available resources.

- Click on ClinicalKey Student to access all books, videos and images and summaries.

- You will now be redirected to ClinicalKey Student -

<https://www-clinicalkey-com.rguhs.remotlog.com/student/login>

- To validate your login, look out for this message on the screen –
'Welcome! We recognize your network - RGUHS-HELINET Consortium'

If you see an error page, refresh the page to
<https://www-clinicalkey-com.rguhs.remotlog.com/student/login>

- If you have used ClinicalKey Student before, enter the Email Address and Password.
- Use 'Forgot Password' in case you don't remember your password.
- If you are a new user, click 'Register Here' to create your own profile

Note 1: The login details for ClinicalKey Student platform are different from Remote Log

- Use this simple form to create your own account

Note - If you encounter the below **Error** during this process:

Register

Already registered? [Log in](#)

* indicates a required field

First Name *

Last Name *

Email Address (Use school email if you have one) *

Password (5 character minimum) *

By continuing you agree to Elsevier [Terms & Conditions](#), [Privacy Policy](#), and [Cookies statement](#).

Register

Have a registration ID? [Redeem now](#)

Register

Error: there is 1 problem in this form

You've already registered with that email address here or in another Elsevier product.

Already registered? [Log in](#)

* indicates a required field

- Go to login page and use 'forgot password' to reset the password.

Or

- Use different email id to create your profile

- Once you finish the form, you will see the screen with 'Registration Successful'.
- Click on 'Continue' and follow the simple steps from here to complete your profile

A screenshot of a registration form with an orange background. The form contains the following elements:

- An information icon and text: "We will use this information to tailor your experience. You can edit your selection at any time in your account settings."
- A title: "Tell us about yourself * All fields required"
- A label: "I am a: *"
- Two radio button options: "Student" and "Professional".
- A blue "Submit" button.

A screenshot of a registration form with an orange background, showing a dropdown menu. The form contains the following elements:

- An information icon and text: "We will use this information to tailor your experience. You can edit your selection at any time in your account settings."
- A title: "Tell us about yourself * All fields required"
- A label: "I am a: *"
- Two radio button options: "Student" (selected) and "Professional".
- A label: "* My class year is"
- A dropdown menu with the placeholder text "Choose year of study" and an upward arrow icon. The menu is open, showing the following options: "First Year", "Second Year", "Third Year", and "Fourth Year".

- You have completed the Sign up process and are now ready to browse the Books, Video, Images, Clinical Summaries on the ClinicalKey Student.

The screenshot shows a web browser window with the URL www-clinicalkey-com.rguhs.remotlog.com/student. The page features a navigation bar with links for Home, Books, Images, Videos, Summaries, and My saved. A personalized greeting reads "Hi Pooja! What do you want to learn today?" followed by a search bar with the placeholder text "Search medical concepts, diseases, book titles...". Below this is a "Quick actions" section with buttons for Books, Disease summaries, Videos, and Launch Bookshelf. A link to "Browse our MBBS Practical & Clinical Skills Videos" is also present. At the bottom, there is a "Get started" section with a computer icon and a purple question mark icon in the bottom right corner.

To fully experience the benefits of ClinicalKey Student, you will need to two more applications:

1. India Skills Video

2. ClinicalKey Student Bookshelf

India Skills Video

You can access 'India Skills Video' by clicking on – “ [Browse our MBBS Practical & Clinical Skills Videos](https://indiambbsskills.clinicalkey.com/login/index.php)” - <https://indiambbsskills.clinicalkey.com/login/index.php>

- Click on 'Register' and create your own profile.

Note –

This one-time registration process is separate from the registration process on the ClinicalKey Student platform.

The screenshot shows a web browser window with the URL indiambbsskills.clinicalkey.com/register/index.php. The page is titled "New User Registration" and contains the following form fields:

- First name*
- Last name*
- Institution* (with a tooltip that says "* Please select institution") and a search box labeled "Search by university/school name"
- Email address*
- Password* (with an eye icon for visibility)
- Confirm password* (with an eye icon for visibility)

At the bottom of the form are two buttons: "Register" and "Back To Login".

On the right side of the page, there is a welcome message: "Welcome to India MBBS Clinical and Practical Skills Videos". Below this, it states: "Access highly informative and engaging 150+ hours of clinical and practical must-have India MBBS skills videos for your undergraduate teaching and learning." There are three video thumbnails:

- Abdominal Hysterectomy | Obstetrics and Gynaecology
- Laminae | Back and Vertebral Column Dissection | Anatomy
- Cardiovascular System: Phases of cardiac cycle | Physiology

ClinicalKey Student Bookshelf

The ClinicalKey Student Bookshelf App Bookshelf mobile app gives you offline, convenient access to content and powerful study tools. Highlight text, make notes and create flashcards from your mobile or tablet on the go.

Please note – *You will only need to login to the app once.*

Download the App from here

How to Access **Complete Anatomy**

To Access Complete Anatomy download the app based on your device or use the link below for steps

<https://3d4medical.com/support/complete-anatomy/setup-guide>

After you have downloaded the app click on 'Get Started', and follow the steps to set-up your account.
