

## Access the India Skills Video in 3 Easy Steps

**Step 1:** Visit the [ClinicalKey Student](#) home page and locate the section titled '*Browse our MBBS Practical & Clinical Skills Videos.*'

The screenshot shows the ClinicalKey Student homepage. At the top, there are navigation links: ClinicalKey Student, Home, Study resources, Browse questions, My saved, and a search bar. Below the navigation is a 'Quick actions' bar with links for Create reading list, Books, Disease summaries, Videos, and Launch Bookshelf. The main content area features a section titled 'Browse our MBBS Practical & Clinical Skills Videos'. This section includes a thumbnail for 'MEDICAL MICROBIOLOGY AND PARASITOLOGY' and another for 'Section I: General Microbiology' from 'Essentials of Microbiology'. A large orange arrow points to the 'Browse our MBBS Practical & Clinical Skills Videos' link.

**Step 2:** If you're a first-time user on the [India Skills Platform](#), click the 'Register' button. Fill out the *New User Registration* form by selecting your institute from the dropdown list and creating your password. For registered users on the India Skills Platform, simply log in using your email ID and password.

The screenshot shows the India Skills Platform's sign-in and registration interface. On the left is a 'Sign in' form with fields for Email and Password, and links for 'Forgot password?' and 'Sign in'. In the center, a welcome message reads: 'Welcome to India MBBS Clinical and Practical Skills Videos. Enter your details if you are a registered user.' Below this are three video thumbnail images. To the right is a 'New User Registration' form with fields for First name\*, Last name\*, Institution\*, Email address\*, Password\*, and Confirm password\*. A 'Register' button is at the bottom. An orange arrow points from the 'Enter your details...' box to the 'Click here to register' button, which is highlighted in orange. Another orange arrow points from the 'Click here to register' button to the 'Register' button on the registration form.

**Step 3:** After signing in, you'll arrive at the home page. Here, you'll find the '*Available Modules*' section and can utilize the filter by subject function and search by keyword to explore the content.

The screenshot shows the ClinicalKey Student homepage with the 'India MBBS Clinical and Practical Skills Videos' section. It features a 'Filter by subject' sidebar with checkboxes for various medical topics like Anatomy, Anesthesia, Biochemistry, etc. A 'Search by Subjects' button is next to the filter. The main content area shows a table of 'Available modules' with 461 results. The columns are Module name, Subject, and Author Information. Three rows are listed: 'Abdomen - Anterior Abdominal Wall and Abdominal Viscera in situ' (Anatomy, University of North Carolina, At Chapel Hill, USA), 'Back and Vertebral Column - Vertebral Column and Back Musculature' (Anatomy, University of North Carolina, At Chapel Hill, USA), and 'Vertebral Column and Its Contents' (Anatomy, University of North Carolina, At Chapel Hill, USA). Each row has a 'View module' button. At the top right, there are buttons for 'Name of your institute', 'Your Name', and 'Logout'. A 'Search by Keyword' input field is also present. An orange arrow points from the 'Search by Subjects' button on the left to the 'Search by Keyword' input field on the right.
