Welcome to E-PIC

Elsevier Product Insights for Customers offers you a free and unique view on your institution's engagement with research content and tools.

It is meant for administrators and librarians who recognize the role of great content and tools in a successful research strategy. It is the result of Elsevier's enduring focus on customer value and transparency.

Understand the usage of tools and content, explore gaps in your portfolio, gain information to promote adoption of tools and find out where your institution is trending.

COUNTER (COP5) and Supplementary Reportsのカードから取得します。

The screenshot shows the 'Product Insights for Customers' dashboard. At the top left is the Elsevier logo and the text 'Product Insights for Customers'. On the right are icons for settings, a building, and a user profile. Below the header is the section 'Your Institution' with a grid icon and three menu items: 'Empower my researchers', 'Manage research tools' (which is underlined), and 'Staying ahead'. A large orange arrow points down from the 'Manage research tools' menu to a card titled 'COUNTER (COP5) and Supplementary Reports'. This card is highlighted with a thick orange border and contains a bar chart icon and a list of two items: 'ScienceDirect' and 'Scopus'. To the left of this card are two other cards: 'Mendeley Institutional Edition usage' showing 1,576 members and 0 groups created in February 2022, and 'Digital Commons Data' showing 17 datasets created and 2 published in February 2022. To the right is a card for 'Engineering Village usage' with a line chart showing 'Regular searches', 'Literature discovery views', and 'Citations'.
