Processor may also determine that such audits and inspections are subject to prior notice and the execution of a confidentiality undertaking protecting the data of other customers and the confidentiality of the technical and organizational measures and safeguards implemented. Processor shall be entitled to reject auditors that are competitors of Processor. Controller hereby consents to the appointment of an independent external auditor by Processor, provided that Processor provides a copy of the audit report to Controller.

Where the Data becomes subject to search and seizure, an attachment order, confiscation during bankruptcy or insolvency proceedings, or similar events or measures by third parties while in Processor's control, Processor shall notify Controller of such action without undue delay. Processor shall, without undue delay, notify to all pertinent parties in such action, that any data affected thereby is in Controller's sole property and area of responsibility, that data is at Controller's sole disposition, and that Controller is the responsible body in the sense of the GDPR.
2. No modification of this DPA and/or any of its components – including, but not limited to, Processor's representations and obligations, if any – shall be valid and binding unless made in writing or in a machine-readable format (in text form), and furthermore only if such modification expressly states that such modification applies to the regulations of this DPA.
