WHAT WE ARE LOOKING FOR

At Aspire we listen to young people's aspirations and assess the barriers that prevent them from achieving them. Some examples include:

- **Providing necessary learning materials:** Laptops, books, computer programs, online courses, tutors, or other necessary supplies to access educational resources and skills.
- **Removing language barriers:** Language learning tools and literacy programs to be able to read, write, and speak in the native language of the country where you are educated.
- **Reducing the financial burden:** Tuition for study programs that can't be paid independently due to a non-academic parental home, poverty, or other circumstances.
- **Ensuring inclusion:** Measures to enable participation in education despite disabilities (e.g. technical aids and equipment, full access to an environment, or accessible/adapted housing).
- **Equalizing opportunities:** Mentoring and financial support for girls to access both traditional and/or STEM education despite family obligations.
- **Shortening the distance:** Means of transport (e.g. bike or public transport) or subsidized rent if the distance from home to school is a crucial barrier.
- **Providing security in uncertain times:** Providing access to education denied by illness, or conflict related to the pandemic.

We provide financial funding, sponsorship, and an ongoing community to help young people turn their dreams into opportunities. We are also open to funding **nonprofits** and programs that share Aspire's goals and can provide access to those in need.

APPLICATIONS WILL BE REVIEWED AND EVALUATED BY OUR COMMITTEE BASED ON THE FOLLOWING CRITERIA:

- Applicant or nominee is **age 15–24 years** old.
- Application is persuasive in terms of **impact, authenticity, and financial feasibility**.
- Application is striving for **access to education**.
- Application demonstrates **maximum impact through education**.
We evaluate **how much funds are required** and what is the **highest value** that can be achieved.
- Applicant or nominee is **not already a beneficiary of financial aid** or a scholarship for education.
