5. Your Access Rights and Obligations

- 5.1 You are granted a non-transferable right to use and access the Cloud Service and any non-Celonis Application identified in the Order, during the Subscription Term, for Your own and Your Affiliates' internal purposes (which specifically excludes any analysis of data from third-party source systems), unless otherwise stated in the applicable Documentation for such Cloud Service. Use of the On-premise Component (where applicable) is limited to use with its associated Cloud Service, and may not be modified or altered in any way except by Us; provided, however, that to the extent any third party content is included in the On-premise Component and is accompanied by its own license terms, those terms shall control with respect to such content. Full functionality and interoperability of the On-premise Component may not be attainable without use of the most current version made available by Us. You are responsible for all acts and omissions in breach of the Agreement by Users and Affiliates. As between You and Us, We are and remain exclusive owners of all rights (including without limitation the Proprietary Rights) in and to the Services.
- 5.2 Your use of the Services shall be limited in accordance with the metrics in the applicable Order. Definitions of the metrics are contained in the Metrics Definition, which is incorporated by reference. In addition, You shall comply with the terms of service of any Non-Celonis Application, as included within the applicable Order.
- 5.3 With respect to the Cloud Service and/or any Non-Celonis Application, You (i) are solely responsible for making available interfaces to Your Customer Data and for uploading such Customer Data thereto; (ii) are solely responsible for procuring and maintaining Your network connections and telecommunications links and all problems, conditions, delays and delivery failures

arising from or relating to such network connections or telecommunications links; and (iii) will maintain adequate security standards for Your Users' access and use thereof, and will use all reasonable efforts to prevent any unauthorized access or use thereof, and, in the event of any such unauthorized access or use, promptly notify Us.

- 5.4 You will not during the course of the use of the Cloud Service or any Non-Celonis Application, upload, input, access, store, distribute or transmit any Malware, nor any material, including without limitation Customer Data, that is Inappropriate Content. We reserve the right, without liability to You and without prejudice to Our other rights, to (i) disable Your access to any material that breaches the provisions of this Section; (ii) remove and delete any content where, in Our sole and reasonable discretion, We suspect such content to be Inappropriate Content; and/or (iii) terminate the Agreement for material breach in accordance with Section 9. You agree to defend, indemnify and hold Us and Our Affiliates harmless from and against any and all claims, losses, damages, expenses and costs, including without limitation reasonable court costs and legal fees, arising out of or in connection with Your breach of this Section.
- 5.5 You will not (i) copy, translate, or otherwise modify or produce derivative works of all or parts of the Cloud Service or any Non-Celonis Application, it being understood that You will be entitled to copy the Documentation and materials accompanying the Cloud Service and make use of the Celonis Schema (as defined and described below) as is reasonably required for Your internal purposes; (ii) access or use the Cloud Service in breach of applicable laws or for any illegal activities, including without limitation to transfer data and information which is illegal or in breach of third-party Proprietary Rights; (iii) disassemble, reverse engineer, decompile, place at risk or circumvent the functionalities, performance, and/or the security of the Cloud Service; (iv) access all or any part of the Cloud Service in order to build a competitive and/or similar product or service; or (v) determine whether the Services are within the scope of any patent.
- 5.6 We will have the right to temporarily restrict Your access to the Cloud Service, if We in Our reasonable judgment deem it likely that Your use of the Cloud Service will have negative effects on the Cloud Service, and that immediate action is required in order to limit or prevent damage. We shall promptly inform You of any such restriction and, where reasonable to do so, We shall provide such information in advance.
- 5.7 We may, at our discretion, make available to You Cloud Service-related scripts, schema and/or code that can be used to create process analysis implementations for the Cloud Service platform (collectively, the "Celonis Schema"). Where Celonis Schema are made available to You, You are granted for the relevant Subscription Term a limited, non-exclusive, revocable license to use and modify the Celonis Schema for purposes of implementing Your permitted use of the Cloud Service. As between You and Celonis, You will be owner of all right, title and interest in and to any modifications You make to the Celonis Schema, subject, always, to Our underlying ownership interest in and to all of the Services from which Your modifications derive.
- 5.8 We are entitled to integrate technical features into the Cloud Service which allow Us to verify Your compliance with the limitations in this Agreement and/or Your Order. For clarity, no Customer Data shall be visible to Us in this context. Further, We may audit Your use of the Cloud Service in order to establish whether the use of the Cloud Service is in accordance with this Agreement, at Our own cost, by providing You seven (7) days' prior written notice. We may ask a qualified third party, who will be obliged to maintain confidentiality, to perform the audit. Where We notify You of a non-compliance with the Agreement and/or Your Order limitations, including any overuse, We may work with You to seek to reduce Your overuse so that it conforms to Your Order. If You are unable or unwilling to abide by the Order limitations, You will pay any invoice for excess usage or execute an Order for additional Services. Our acceptance of any payment shall be without prejudice to any other rights or remedies We may have under the Agreement or applicable law.

6. Fees and Payment

- 6.1 Where your Order is directly with Celonis,
- i. (a) We will invoice the Subscription Fees annually in advance; and (b) unless otherwise agreed upon in the Order, all payments are due in full without deduction or set-off within 30 (thirty) days of the date of Our invoice. You shall have the right to set-off claims against Our claims only where Your claims are undisputed by Us or have been finally decided upon.
 - ii. The Subscription Fees are non-refundable and do not include Taxes and You are responsible for all Taxes. If We are required to pay Taxes based on the Services provided under these Terms, then such Taxes shall be billed to and paid by You. If a deduction or withholding is required by law, You shall pay such additional amount and will ensure that the net amount received by Us equals the full amount which We would have received had the deduction or withholding not been required. This Section shall not apply to Taxes based on Our income.
 - iii. Once the due date for the respective Subscriptions Fees has passed, We can claim default interest at the statutory rate. Without prejudice to any other rights We may have, if We have not received payment for any overdue invoice, We shall be entitled to (a) by giving You thirty (30) days' prior written notice and without liability to You, disable Your password,

account and access to all or part of the Cloud Service and We shall be under no obligation to provide any or all of the Cloud Service while any such invoice remains unpaid; and/or (b) suspend Professional Services until all payments due have been made in full.

- v. We shall be entitled to adjust the Subscription Fees with effect from Your next Renewal Term. Where We increase the Subscription Fees, such increase shall not exceed 7%. Unless otherwise agreed between You and Us, if You are renewing directly with Celonis a Subscription originally purchased through an Authorized Reseller, then the Subscription Fees for Your initial Renewal Term with Us will be at Our then-prevailing Subscription Fees for the subject Cloud Service.

6.2 If Your Subscription is purchased through an Authorized Reseller, We may, upon written notice, suspend Your right to use the Subscription in the event We fail to receive payment for such Subscription or We confirm that You have not paid the Authorized Reseller for such Subscription.

7.3 During the Subscription Term, You will be entitled to access and export (where available) Customer Data at any time. Export may be subject to technical limitations; in which case We will find a reasonable method for You to access Customer Data. Within 30 days of termination of an Order, We will delete or destroy Customer Data remaining on the Cloud Service unless applicable law requires retention for a specified period. Any such retained data is subject to the confidentiality provisions of these Terms.

7.4 We will maintain appropriate administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer Data, as further described at <https://www.celonis.com/trust-center/>. 9. Term and Termination of Subscription for Cause

9.1 Your Subscription commences on the effective date of the Order unless otherwise specified therein. Your Subscription continues for the Initial Subscription Term stated in the Order. Thereafter, each Subscription will automatically renew for successive periods of 12 months (each a "Renewal Term") unless a party gives at least 30 days' prior written notice to the other

party of its intention not to renew the Subscription. Unless otherwise agreed in the applicable Order, and subject to Your rights to terminate under this Section, Your Subscription may only be terminated in accordance with Section 9.2.

9.2 Without prejudice to any other rights or remedies to which We or You may be entitled, either party may terminate an Order without liability to the other at any time with immediate effect upon written notice if the other party:

Except where an exclusive remedy is specified in the Agreement, the exercise by either party of any remedy under the Agreement, including termination, will be without prejudice to any other remedies it may have under this Agreement, by law, or otherwise.

9.4 Termination of any Order shall have no effect on any other Order.

10. Limited Warranties

10.1 We warrant that the Cloud Service shall substantially perform as specified in the Documentation during the Subscription Term, when used in accordance with the terms of the Agreement. Support Services will be rendered with due care, skill and ability, and in accordance with recognized standards of industry practice. We also do not warrant against data breaches and data losses which could not have been avoided by adequate, state-of-the art security in accordance with Our then-current security infrastructure, as may be further described in the accompanying materials.

10.6 To the maximum extent permitted by applicable law, the warranties and remedies provided in this Section 10 are exclusive and in lieu of all other warranties.

10.7 You agree that Your purchase of the Cloud Service is not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments, statements or representations We made regarding future functionality or features.

11. Intellectual Property Indemnity

11.1 We warrant during the Subscription Term in accordance with the following provisions that the rights granted to You in accordance with Section 5 are not affected by third party rights.

- a. modify the infringing Service so that it ceases to be infringing without loss of substantial functionality or replace the infringing portion of the Service with non-infringing software or services; or

- d. provide Us with reasonable information and assistance for the Infringement Claim; and

- 1.1.1. We shall not be liable to You for Infringement Claims if and to the extent the infringement is caused by Your own default (*Verschulden*). This particularly applies if and to the extent the Infringement Claim is caused by Your use of the Cloud Services outside the scope of the Agreement or the applicable Order.

11.4 This Section constitutes Your exclusive remedy and Our entire liability with respect to Infringement Claims.

- 1.3 Except where Professional Services are explicitly designated as works services (*Werkleistungen*), they shall be delivered as professional services (*Dienstleistungen*). This shall apply also in the event that a Work Result or a success have been agreed, in particular in respect of implementation and configuration support relating to Our Cloud Service.

2. Your Obligations

- 2.1 Where specified in an Order, You will appoint a Project Manager, who will coordinate Your activities related to the Professional Services. You will ensure that the same person acts as Project Manager for the duration of the applicable Professional Services engagement; but if You need to change the Project Manager You must notify Us in writing of such change.
- 2.2 You shall:
 - 2.2.1 cooperate with Us on any matters relating to the Professional Services as set out in the Order and provide Us with prompt feedback to Our requests;
 - 2.2.2 in the event Professional Services are provided on Your premises, provide Us with safe and adequate space, power, network connections, materials, CPU time, access to hardware, software and other equipment and information, and assistance from qualified personnel familiar with Your hardware, software, other equipment and information as We reasonably request for the performance of the Professional Services;

Our time of performance shall be enlarged, if and to the extent reasonably necessary due to such acts or delays by You. Without prejudice to Our other rights or remedies, We will notify You of the estimated impact of any such delays on any performance schedule and fees.

If no Change Order is agreed no changes to the scope of the Professional Services will occur and the Professional Services will be performed in accordance with the description of Services applying on the date on which the Change Request was requested.

4. Proprietary Rights

4.1 All Intellectual Property Rights in the Celonis Materials and Celonis Work Results are owned by Us and shall remain the sole and exclusive property of Celonis SE or its licensors. You are granted only the non-exclusive use rights explicitly provided in these Terms.

4.2 Unless otherwise agreed to in writing in an Order, upon full payment of the Fees in respect of the Professional Services, We grant You a non-exclusive, non-transferable, perpetual, royalty-free license to use the Work Results for Your and Your Affiliates' own internal business purposes. Only to the extent required to use the Work Results as per the applicable Order, We grant You a non-exclusive, non-transferable, perpetual, royalty-free license to use the Celonis Materials. The rights of use granted in this Annex B shall automatically terminate upon termination or expiry of the last, potentially separate Order for Cloud Services.

4.3 All Intellectual Property Rights in Customer Materials are owned by and will remain with You or Your licensors. You hereby grant (or shall procure that the owner of the Intellectual Property Rights therein shall grant) to Us a non-exclusive, non-transferable, worldwide and royalty-free licence to use the Customer Materials free of charge for the term of the applicable Order, to permit Us to perform Our obligations under such Order.

Nothing in the Agreement shall be construed so as to prevent Us from using techniques, ideas and other know-how gained during the performance of an Order in the furtherance of Our own business to the extent that such use does not result in a disclosure of Confidential Information in breach of Section 13 of the main body of the Terms or any infringement of Your or Your licensors' Intellectual Property Rights.

5. Professional Services Fees

We will provide all Professional Services on a time and material basis at Our then-current rates, unless otherwise agreed by You and Us in an Order. Our daily rates are calculated based on an 8 (eight) hour working day (excluding weekends and public holidays at the place of Our business seat). All Professional Services are billed in arrears on a monthly basis. Unless agreed otherwise the Professional Service Fees exclude travel and accommodation costs and reasonable out of pocket expenses which will be borne by You at a flat daily rate for on-site Professional Services as set out in the Order.

6. Term and Termination

6.1 Each Order for Professional Services shall take effect on the Order date and remain in effect until any agreed end date specified in the Order or until all Professional Services under such Order have been provided, unless terminated sooner in accordance with these Terms.

6.2 Unless otherwise stated in an Order, each Order for Professional Services may be terminated for convenience by either Party by providing thirty (30) days' prior written notice to the other Party.

7. Limited Warranty

7.1 Where We fail to provide Professional Services which are deemed professional services (*Dienstleistungen*) within the meaning of applicable law in accordance with Section 1 of this Annex B, We shall cure such failure within a reasonable period of time, provided You have informed Us thereof in writing without undue delay, but in no event later than two (2) weeks following Our provision of the affected Professional Service. Damage claims and claims for reimbursement of vain

expenditures shall be subject to the limitations set out in Section 8 of this Annex B. All further claims, including claims for damages and for reimbursement of vain expenditures, regardless of their legal basis, shall be excluded.

7.2 To the extent Our Professional Services consist of works services (*Werkleistungen*) within the meaning of applicable law, the following shall apply:

7.2.1 We warrant in accordance with the provisions of Section 7.2 of this Annex B that Our Professional Services shall materially conform with all specifications explicitly agreed in the applicable Order, and that no third-party rights shall affect Our grant of the agreed usage rights. Where no specifications are agreed, We warrant that the Work Results shall be suitable for the contractually agreed usage, and otherwise are suitable for their common usage, and consist of a quality which can commonly be expected for work results of the relevant type.

7.2.2 You shall inform Us of any defect in writing without undue delay, precisely specifying the exact problem and all providing information which is reasonably necessary in view of Our remediation of the defect.

7.2.3 In the event of a breach of a warranty, We shall, at Our option and expense, either re-perform (*Nacherfüllung*) the affected Professional Service and provide You with a new, defect-free version of the Work Product, or by remediating the defect. Remediation of a defect may also be accomplished by providing You with a reasonable work-around from the effects of the defect. In the event of proven defects in title, Our re-performance may be performed either by providing You with the agreed rights of use in view of the Work Product or, at Our choice, in an alternative exchange or replacement Work Product which still materially complies with the agreed specifications. You shall accept such new version of the Work Product if and to the extent the contractually agreed specifications are complied with, and always provided this is not unreasonable for You. The urgency of Our remediation shall be dependent on the effects of the defect in view of Your use. The other provisions of this Annex B, in particular Section 2, shall apply accordingly.

7.2.4 If We cannot reasonably repair or replace the affected Work Product after expiry of a reasonable grace period provided by You in writing, You may terminate the Order or reduce the Fees accordingly (*Minderung*). We shall be responsible for damage claims and claims for vain expenditures (*vergebliche Aufwendungen*) in view of Our breach of warranty subject to the limitation of liability in Section 8 of this Annex B. All further claims, including claims for damages and for reimbursement of expenditures, regardless of their legal basis, shall be excluded.

7.2.5 The period of limitation for claims pursuant to Sections 7.2.1 to 7.2.3 of this Annex B shall be one (1) year and commences on the date of acceptance of the respective Work Product. This also applies to claims resulting from termination or Fee reduction in accordance with Section 7.2.4 of this Annex B. The abbreviation of the statute of limitation shall not apply in cases of wilful misconduct or gross negligence on Our part, in the event of wilful concealment of defects, personal damages or in view of defects of title pursuant to Section 438 para. 1 lit. 1 a of the German Civil Code (*Bürgerliches Gesetzbuch*).

7.2.6 The period of limitation in respect of remediation services, work-arounds and new deliveries provided as part of Our re-performance shall also be completed at the point in time described in Section 7.2.5 of this Annex B above. As long as We are, in agreement with You, verifying the existence of a defect or providing re-performance activities, the period of limitation shall be inhibited (*Hemmung*) until We inform You of the result of Our verification, declare re-performance to be completed or reject further re-performance activities. The period of limitation shall not be completed earlier than three (3) months after the end of its inhibition.

7.2.7 Where We are providing Services in view of the search for or the remediation of defects without being legally obliged to do so, We shall be entitled to a compensation. This particularly applies if a notified defect remains unproven or cannot be connected to Our performance, or where the Work Results are not used in accordance with the Agreement.

7.3 Warranty claims asserted by You under this Annex B shall have no effect on any other Orders or other contracts that are in place between You and Us.

8. Limitation of Liability

Subject to Section 12.1a of the main body of the Terms and in deviation from Section 12.1b of the main body of the Terms, We shall be liable to You in cases of simple negligence only in the event of Our breach of so-called cardinal obligations (i.e. obligations which are essential to the performance of the Agreement and which You may reasonably rely upon). In such cases, Our aggregate liability to You for or in respect of any loss or damage suffered by You over a period of twelve (12) months under or in connection with the affected Order shall be limited to the total amount of Fees You paid to Us under the

affected Order within these twelve (12) months, however not to fall short of Euro 100,000. For the purposes of clarification, the remainder of Section 12 of the main body of the Terms shall also apply to the provision of Professional Services, except stated otherwise in this Section 8 of Annex B.

Annex C

Data Processing Agreement

This Data Processing Agreement including its Exhibits (the “DPA”) details the parties’ obligations on the protection of Personal Data associated with Our Processing of Your Personal Data within the scope of the applicable Order or any agreement between You and Celonis for providing Services (hereinafter, the “Agreement”).

1. Processing of Personal Data

1.1. With regard to the Processing of Personal Data, You are the controller and determine the purposes and means of Processing of Personal Data You provide to Us (“Controller”) and You appoint Us as a processor (“Processor”) to process such Personal Data (hereinafter, “Data”) on Your behalf (hereinafter, “Processing”).

1.2. The details of the type and purpose of Processing are defined in the Exhibits attached hereto. Except where the DPA stipulates obligations beyond the Term of the Agreement, the duration of this DPA shall be the same as the Agreement Term.

1.3. You shall be solely responsible for compliance with Your obligations under the applicable Data Protection Laws, including, but not limited to, the lawful disclosure and transfer of Personal Data to Us by upload of source data into the Cloud Service or otherwise.

1.4. Processing shall include all activities detailed in this Agreement and the instructions issued by You. You may, in writing, modify, amend, or replace such instructions by issuing such further instructions to the point of contact designated by Us. Instructions not foreseen in or covered by the Agreement shall be treated as requests for changes. You shall, without undue delay, confirm in writing any instruction issued orally. Where We believe that an instruction would be in breach of applicable law, We shall notify You of such belief without undue delay. We shall be entitled to suspend performance on such instruction until You confirm or modify such instruction.

1.5. We shall ensure that all personnel involved in Processing of Customer Data and other such persons as may be involved in Processing shall only do so within the scope of the instructions. We shall ensure that any person Processing Customer Data is subject to confidentiality obligations similar to the confidentiality terms of the Agreement. All such confidentiality obligations shall survive the termination or expiration of such Processing.

2. Data Security

2.1. We shall implement technical and organizational measures and safeguards that ensure the adequate protection of Customer Data, confidentiality, integrity, availability and resilience of processing systems and services and shall implement a process for regularly testing, assessing and evaluating the effectiveness of technical and organizational measures for ensuring the security of the Processing, as further specified at <https://www.celonis.com/trust-center/>. It shall be Your responsibility to familiarize Yourself with these measures and to assess whether they ensure a level of security appropriate to the risk.

2.2. To demonstrate adequate levels of protection, We have obtained third-party certification and audits of Our information security program, e.g. DIN ISO/IEC 27001:2015. All Our certificates are available at <https://www.celonis.com/trust-center/>.

2.3. We reserve the right to modify the measures and safeguards implemented, provided, however, that the level of security shall not materially decrease during a Subscription Term.

3. Our Obligations

3.1. We shall notify You without undue delay after We become aware of any accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Customer Data, including Personal Data, stored or otherwise processed by Us or Our sub-processors (“Security Incident”).

3.2. We shall use best efforts to identify the cause of such Security Incident and take the measures We deem necessary and within Our control for remediating and securing Customer Data; We shall coordinate such efforts with You without undue delay. We shall correct or erase Customer Data if instructed by You and where covered by the scope of the instructions permissible. Where an erasure, consistent with data protection requirements, or a corresponding restriction of Processing is impossible, We shall, based on Your instructions, and unless agreed upon differently in the Agreement, destroy, in compliance with data protection requirements, all data or return the same to You.

3.3. In specific cases designated by You, such Customer Data shall be stored or handed over. The associated cost for doing so and protective measures to put in place shall be agreed upon separately, unless already agreed upon in the Agreement. We shall, upon termination of Processing and upon Your instruction, return all Customer Data, carrier media and other materials to You or delete the same.

3.4. Where a data subject asserts any claims against You in accordance with Article 82 of the GDPR, We shall, where possible, support You in defending against such claims, at Your cost.

4. Your Obligations

4.1. You shall notify Us without undue delay, and comprehensively, of any defect or irregularity with regard to provisions on data protection detected by You in the results of Our work.

4.2. Where a data subject asserts any claims against Us in accordance with Article 82 of the GDPR, You shall, where possible, support Us in defending against such claims, at Our cost.

4.3. You shall notify Our point of contact listed in Exhibit 1 for any issues related to data protection arising out of or in connection with the Agreement.

5. Data Subjects Rights

5.1. Where a data subject asserts claims for rectification, erasure or access to Us, and where We are able to correlate the data subject to You, based on the information provided by the data subject, We shall refer such data subject to You without undue delay. We shall support You, where possible, and based upon Your instruction insofar as agreed upon. We shall not be liable in cases where You fail to respond to the data subject's request completely, correctly, or in a timely manner. Notwithstanding the foregoing, if Your employee submits a data subject request in relation to Online Training Cloud, You agree that we can fulfill such request without Your further approval.

5.2. We shall support You, insofar as is agreed upon by the parties, and where possible for Us, in fulfilling data subjects' requests and claims, as detailed in chapter III of the GDPR and in fulfilling the obligations enumerated in Articles 33 to 36 GDPR.

6. Options for Documentation

6.1. We shall document and, upon request, provide such documentation of Our compliance with the obligations agreed upon in this DPA by appropriate measures.

6.2. If You require an audit of our compliance under this DPA, such audits and inspections will be conducted upon 30 days prior written notice, at most once per calendar year, during regular business hours, without interfering with Our operations, and subject to the execution of a confidentiality agreement. We shall be entitled to reject auditors that are competitors of Ours. You hereby consent to the appointment of an independent external auditor by Us, provided that We provide a copy of the audit report to You.

6.3. Where a data protection or other applicable supervisory authority conducts an audit, para. 2 above shall apply mutatis mutandis. The execution of a confidentiality agreement shall not be required if such supervisory authority is subject to professional or statutory confidentiality obligations whose breach is sanctionable under the applicable criminal code.

7. Sub-processing

7.1. We shall not sub-process any of Our obligations under this Agreement except as set forth in this DPA.

7.2. You hereby consent to Our use of the sub-processors listed in Exhibit 1 to this DPA in connection with the performance of the Agreement. We shall, prior to the use of further sub-processors, obtain Your prior approval, such approval not to be withheld except for important reasons related to compliance with Data Protection Laws. In such case, We or the respective sub-processor will enter into a written agreement with each sub-processor containing data protection obligations not less protective than those in this Agreement with respect to the protection of Customer Data to the extent applicable to the nature of the Services provided by such sub-processor.

7.3. We shall conclude, with such sub-processors, contractual terms necessary to ensure an appropriate level of data protection and information security and in compliance with all Data Protection Laws.

7.4. We will be liable for the acts and omissions of Our sub-processors to the same extent We would be liable if we were performing the Services for each sub-processor directly under the terms of this DPA, except as otherwise set forth in the Agreement.

8. Obligations to Inform, Mandatory Written Form, Choice of Law

8.1. Where Customer Data becomes subject to search and seizure, an attachment order, confiscation during bankruptcy or insolvency proceedings, or similar events or measures by third parties while in Our control, We shall notify You of such action without undue delay. We shall, without undue delay, notify all pertinent parties in such action, that any Customer Data affected thereby is Your sole property and area of responsibility, that Customer Data is at Your sole disposition, and that You are the responsible body under the GDPR.

8.2. No modification of this DPA, including but not limited to, Our representations and obligations, if any, shall be valid and binding unless made in writing, and only if such modification expressly states that such modification applies to the terms of this DPA. The foregoing shall also apply to any waiver or change of this mandatory written form.

8.3. In case of any conflict, the terms of this DPA shall take precedence over the terms of the Agreement. Where individual terms of this DPA are invalid or unenforceable, the validity and enforceability of the other terms of this DPA shall not be affected.

8.4. This DPA is subject to the laws of the Member State in which the Controller is established (provided this is within the EEA, Switzerland or the United Kingdom), and for all other cases subject to the laws applicable pursuant to Section 15.4 of the Agreement and the parties submit to the exclusive jurisdiction of those courts for any disputes arising out of or in connection with this DPA.

9. Liability. The Limitation of Liability Section of the Terms shall apply except as explicitly agreed otherwise in this DPA.

10. International Transfers

10.1. We will only transfer Personal Data outside the European Economic Area where We have complied with Our obligations under applicable Data Protection Laws in ensuring adequate safeguards in relation to such transfer.

10.2. The unmodified EU Standard Contractual Clauses (the "SCCs") set forth in Exhibit 2 of this DPA shall apply to any transfers of Personal Data under this DPA from the European Union, the European Economic Area and/or their member states, Switzerland and the United Kingdom to countries which do not ensure an adequate level of data protection within the meaning of Data Protection Laws of the foregoing territories, to the extent such transfers are subject to such Data Protection Laws.

10.3. Where required to ensure an adequate level of data protection, You herewith grant Us authority to enter into "controller-to-processor" agreements with Our non-EEA sub-processors in Your name and on Your behalf. These agreements must be based on unmodified EU Standard Contractual Clauses or other templates or mechanisms approved by the EU Commission for ensuring an adequate level of data protection between You and Our sub-processors within the meaning of applicable Data Protection Laws. Upon Your request, We shall provide You with a copy of the respective documentation entered into with Our sub-processor in this regard.

11. TERMS FOR THE SCCs

The SCCs and the additional terms specified in this Section apply to (i) a customer which is subject to the Data Protection Laws of the European Union, the European Economic Area and/or their member states, Switzerland and/or the United Kingdom and, (ii) its Authorized Affiliates. For the purpose of the SCCs and this Section, the aforementioned entities shall be deemed "data exporters".

Before the commencement of any such on-site audit, the parties shall mutually agree upon the scope, timing, and duration of the audit in addition to the reimbursement rate for which You shall be responsible. All reimbursement rates shall be reasonable, taking into

account the resources expended by Us. You shall promptly notify Us with information regarding any non-compliance discovered during the course of an audit.

11.8. The parties agree that the certification of deletion of Personal Data that is described in Clause 12(1) of the SCCs shall be provided to You only upon Your request.

11.9. In the event of any conflict or inconsistency between the body of this DPA and any of its Schedules (not including the SCCs) and the SCCs, the SCCs shall prevail.

HAVE AGREED on the following Contractual Clauses (the Clauses) in order to adduce adequate safeguards with respect to the protection of privacy and fundamental rights and freedoms of individuals for the transfer by the data exporter to the data importer of the personal data specified in Appendix 1.

Clause 1 Definitions

For the purposes of the Clauses:

- (a) 'personal data', 'special categories of data', 'process/processing', 'controller', 'processor', 'data subject' and 'supervisory authority' shall have the same meaning as in Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data;
- (b) 'the data exporter' means the controller who transfers the personal data;
- (c) 'the data importer' means the processor who agrees to receive from the data exporter personal data intended for processing on his behalf after the transfer in accordance with his instructions and the terms of the Clauses and who is not subject to a third country's system ensuring adequate protection within the meaning of Article 25(1) of Directive 95/46/EC;

(d) 'the sub-processor' means any processor engaged by the data importer or by any other sub-processor of the data importer who agrees to receive from the data importer or from any other sub-processor of the data importer personal data exclusively intended for processing activities to be carried out on behalf of the data exporter after the transfer in accordance with his instructions, the terms of the Clauses and the terms of the written subcontract;

(e) 'the applicable data protection law' means the legislation protecting the fundamental rights and freedoms of individuals and, in particular, their right to privacy with respect to the processing of personal data applicable to a data controller in the Member State in which the data exporter is established;

(f) 'technical and organisational security measures' means those measures aimed at protecting personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the processing involves the transmission of data over a network, and against all other unlawful forms of processing.

Clause 2 Details of the transfer

The details of the transfer and in particular the special categories of personal data where applicable are specified in Appendix 1 which forms an integral part of the Clauses.

Clause 3 Third-party beneficiary clause

1. The data subject can enforce against the data exporter this Clause, Clause 4(b) to (i), Clause 5(a) to (e), and (g) to (j), Clause 6(1) and (2), Clause 7, Clause 8(2), and Clauses 9 to 12 as third-party beneficiary.

2. The data subject can enforce against the data importer this Clause, Clause 5(a) to (e) and (g), Clause 6, Clause 7, Clause 8(2), and Clauses 9 to 12, in cases where the data exporter has factually disappeared or has ceased to exist in law unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, as a result of which it takes on the rights and obligations of the data exporter, in which case the data subject can enforce them against such entity.

3. The data subject can enforce against the sub-processor this Clause, Clause 5(a) to (e) and (g), Clause 6, Clause 7, Clause 8(2), and Clauses 9 to 12, in cases where both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law as a result of which it takes on the rights and obligations of the data exporter, in which case the data subject can enforce them against such entity. Such third-party liability of the sub-processor shall be limited to its own processing operations under the Clauses.

4. The parties do not object to a data subject being represented by an association or other body if the data subject so expressly wishes and if permitted by national law.

Clause 4 Obligations of the data exporter

The data exporter agrees and warrants:

- (a) that the processing, including the transfer itself, of the personal data has been and will continue to be carried out in accordance with the relevant provisions of the applicable data protection law (and, where applicable, has been notified to the relevant authorities of the Member State where the data exporter is established) and does not violate the relevant provisions of that State;
- (b) that it has instructed and throughout the duration of the personal data-processing services will instruct the data importer to process the personal data transferred only on the data exporter's behalf and in accordance with the applicable data protection law and the Clauses;
- (c) that the data importer will provide sufficient guarantees in respect of the technical and organisational security measures specified in Appendix 2 to this contract;
- (d) that after assessment of the requirements of the applicable data protection law, the security measures are appropriate to protect personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, in particular where the processing involves the transmission of data over a network, and against all other unlawful forms of processing, and that these measures ensure a level of security appropriate to the risks presented by the processing and the nature of the data to be protected having regard to the state of the art and the cost of their implementation;
- (e) that it will ensure compliance with the security measures;
- (f) that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not providing adequate protection within the meaning of Directive 95/46/EC;
- (g) to forward any notification received from the data importer or any sub-processor pursuant to Clause 5(b) and Clause 8(3) to the data protection supervisory authority if the data exporter decides to continue the transfer or to lift the suspension;
- (h) to make available to the data subjects upon request a copy of the Clauses, with the exception of Appendix 2, and a summary description of the security measures, as well as a copy of any contract for sub-processing services which has to be made in accordance with the Clauses, unless the Clauses or the contract contain commercial information, in which case it may remove such commercial information;

(i) that, in the event of sub-processing, the processing activity is carried out in accordance with Clause 11 by a sub-processor providing at least the same level of protection for the personal data and the rights of data subject as the data importer under the Clauses; and

(j) that it will ensure compliance with Clause 4(a) to (i).

Clause 5 Obligations of the data importer

The data importer agrees and warrants:

(a) to process the personal data only on behalf of the data exporter and in compliance with its instructions and the Clauses; if it cannot provide such compliance for whatever reasons, it agrees to inform promptly the data exporter of its inability to comply, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;

(b) that it has no reason to believe that the legislation applicable to it prevents it from fulfilling the instructions received from the data exporter and its obligations under the contract and that in the event of a change in this legislation which is likely to have a substantial adverse effect on the warranties and obligations provided by the Clauses, it will promptly notify the change to the data exporter as soon as it is aware, in which case the data exporter is entitled to suspend the transfer of data and/or terminate the contract;

(c) that it has implemented the technical and organisational security measures specified in Appendix 2 before processing the personal data transferred;

(d) that it will promptly notify the data exporter about:

- i. any legally binding request for disclosure of the personal data by a law enforcement authority unless otherwise prohibited, such as a prohibition under criminal law to preserve the confidentiality of a law enforcement investigation;
- ii. any accidental or unauthorised access; and
- iii. any request received directly from the data subjects without responding to that request, unless it has been otherwise authorised to do so;

(e) to deal promptly and properly with all inquiries from the data exporter relating to its processing of the personal data subject to the transfer and to abide by the advice of the supervisory authority with regard to the processing of the data transferred;

- (f) at the request of the data exporter to submit its data-processing facilities for audit of the processing activities covered by the Clauses which shall be carried out by the data exporter or an inspection body composed of independent members and in possession of the required professional qualifications bound by a duty of confidentiality, selected by the data exporter, where applicable, in agreement with the supervisory authority;
- (g) to make available to the data subject upon request a copy of the Clauses, or any existing contract for sub-processing, unless the Clauses or contract contain commercial information, in which case it may remove such commercial information, with the exception of Appendix 2 which shall be replaced by a summary description of the security measures in those cases where the data subject is unable to obtain a copy from the data exporter;
- (h) that, in the event of sub-processing, it has previously informed the data exporter and obtained its prior written consent;
- (i) that the processing services by the sub-processor will be carried out in accordance with Clause 11;
- (j) to send promptly a copy of any sub-processor agreement it concludes under the Clauses to the data exporter.

Clause 6 Liability

1. The parties agree that any data subject, who has suffered damage as a result of any breach of the obligations referred to in Clause 3 or in Clause 11 by any party or sub-processor is entitled to receive compensation from the data exporter for the damage suffered.

2. If a data subject is not able to bring a claim for compensation in accordance with paragraph 1 against the data exporter, arising out of a breach by the data importer or his sub-processor of any of their obligations referred to in Clause 3 or in Clause 11, because the data exporter has factually disappeared or ceased to exist in law or has become insolvent, the data importer agrees that the data subject may issue a claim against the data importer as if it were the data exporter, unless any successor entity has assumed the entire legal obligations of the data exporter by contract or by operation of law, in which case the data subject can enforce its rights against such entity.

The data importer may not rely on a breach by a sub-processor of its obligations in order to avoid its own liabilities.

3. If a data subject is not able to bring a claim against the data exporter or the data importer referred to in paragraphs 1 and 2, arising out of a breach by the sub-processor of any of their obligations referred to in Clause 3 or in Clause 11 because both the data exporter and the data importer have factually disappeared or ceased to exist in law or have become insolvent, the sub-processor agrees that the data subject may

issue a claim against the data sub-processor with regard to its own processing operations under the Clauses as if it were the data exporter or the data importer, unless any successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law, in which case the data subject can enforce its rights against such entity. The liability of the sub-processor shall be limited to its own processing operations under the Clauses.

Clause 7 Mediation and jurisdiction

1.The data importer agrees that if the data subject invokes against it third-party beneficiary rights and/or claims compensation for damages under the Clauses, the data importer will accept the decision of the data subject:

(a)to refer the dispute to mediation, by an independent person or, where applicable, by the supervisory authority;

(b) to refer the dispute to the courts in the Member State in which the data exporter is established.

2.The parties agree that the choice made by the data subject will not prejudice its substantive or procedural rights to seek remedies in accordance with other provisions of national or international law.

Clause 8 Cooperation with supervisory authorities

1.The data exporter agrees to deposit a copy of this contract with the supervisory authority if it so requests or if such deposit is required under the applicable data protection law.

2.The parties agree that the supervisory authority has the right to conduct an audit of the data importer, and of any sub-processor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.

3.The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any sub-processor preventing the conduct of an audit of the data importer, or any sub-processor, pursuant to paragraph 2. In such a case the data exporter shall be entitled to take the measures foreseen in Clause 5(b).

Clause 9 Governing law

The Clauses shall be governed by the law of the Member State in which the data exporter is established, namely ...

Clause 10 Variation of the contract

The parties undertake not to vary or modify the Clauses. This does not preclude the parties from adding clauses on business related issues where required as long as they do not contradict the Clause.

Clause 11 Sub-processing

1. The data importer shall not subcontract any of its processing operations performed on behalf of the data exporter under the Clauses without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the sub-processor which imposes the same obligations on the sub-processor as are imposed on the data importer under the Clauses. Where the sub-processor fails to fulfil its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the sub-processor's obligations under such agreement.
2. The prior written contract between the data importer and the sub-processor shall also provide for a third-party beneficiary clause as laid down in Clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of Clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the sub-processor shall be limited to its own processing operations under the Clauses.
3. The provisions relating to data protection aspects for sub-processing of the contract referred to in paragraph 1 shall be governed by the law of the Member State in which the data exporter is established.
4. The data exporter shall keep a list of sub-processing agreements concluded under the Clauses and notified by the data importer pursuant to Clause 5(j), which shall be updated at least once a year. The list shall be available to the data exporter's data protection supervisory authority.

Clause 12 Obligation after the termination of personal data-processing services

1. The parties agree that on the termination of the provision of data-processing services, the data importer and the sub-processor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.
2. The data importer and the sub-processor warrant that upon request of the data exporter and/or of the supervisory authority, it will submit its data-processing facilities for an audit of the measures referred to in paragraph 1.
