

Consent to Transfer C4C End Client Data

This Consent to Transfer Celonis for Consulting (C4C) End Client Data (the “Consent”) forms part of Your Agreement with Celonis for the use of Celonis C4C Services and applies to You to the extent You have (i) utilized credits to start a C4C project with an end client; (ii) purchased C4C capacity and utilized such capacity with an end client; or (iii) utilized Celonis C4C Services for the benefit of an end client through any other means (in all cases, an “End Client Project”). Defined terms used but not defined in this Consent have the meanings given to those terms in Your Agreement with Celonis.

Consent and Agreement to Data Transfer, Integration and Deletion

By initiating the provision of C4C Services to or on behalf of an end client as part of an End Client Project, You agree that, at any time during the term of an End Client Project, an end client may request that:

- a) Celonis shall transfer and integrate the end client’s data held in Your C4C environment into a new environment directly managed or administered by the relevant end client; and
- b) following such transfer and integration, such end client’s data remaining in Your C4C environment shall be deleted by You.

You hereby consent and agree to the aforementioned transfer, integration and deletion upon an end client’s request. You understand and agree that such transfer, integration and deletion may occur at any time during the term of an End Client Project.

Data Ownership

At all times, the end client remains the exclusive owner of all right, title and interest in and to the Customer Data in accordance with Your agreement with an end client.

End Client Terms

Following a transfer, integration and deletion in accordance with this Consent, the applicable end client’s usage of Celonis Services shall be subject to the then-current version of the Celonis Master Services Agreement, or as otherwise agreed between the applicable end client and Celonis.
