Quickly check your shoe size in 3 steps!

Space for your feet to unroll.

Space for your feet to grow.

1

Is the printout correct? Compare!  
3 cm

This guide helps to measure your shoe size.

If your foot falls between two sizes, we recommend choosing the smaller size for a narrow foot and the larger size for a wider foot.

Your foot may be wider than the footprint shown. That's all right. The barefoot shoe's width will adapt to the natural shape of the foot.

2

Separate along the dotted line and put the card against a wall.

Check you shoe size regularly.
