

# Ready to explore?

Quickly check your shoe size in 4 steps!

1

Is the printout correct?  
Compare!

3 cm

Space for  
your feet to  
grow.

Space for  
your feet to  
unroll.

4

If your largest toe  
touches this line your new  
shoe fits perfectly!

3

Position your  
heel here!

2

Separate this card  
by the perforated  
line and put the card  
against the wall.

### Tip

Keep the size guide in a safe  
place and regularly check your  
shoe size!
