Step 3: Other things to consider

Limits

This policy has restrictions that limit your cover for certain events and items, for example, you are required to maintain an appropriate sum insured on your building and advise us of any additions, alterations or renovations to your house or other permanent structures. The payment basis and other policy terms and conditions may be affected by renovations at the residence.

To find out these limits you need to read the PDS and other relevant policy documentation. Excesses

If you make a claim, the excess is the amount you may have to pay for each incident. A number of different excesses may apply in respect to this policy, for example if the deductible (excess) shown in your Coverage Summary is \$250 and your house is damaged by storm, you will pay the first \$250 of the cost to repair that damage.

Legal liability

This policy covers your legal liability when you are found to be legally responsible for damage or personal injury to a third party or their property. It is limited to \$30,000,000. You should read the PDS carefully to determine the extent of this cover.

Cooling off period

If you decide you don't want this policy within 14 days of it being issued and you haven't made a claim, you can cancel it and receive a refund.

Maximum level of cover offered by the insurers

Insurers offer different maximum levels of cover in the event of the loss or destruction of your building including where:

- You set the maximum level of cover and your payout is limited to that amount* (*sum insured*).
- You set the maximum level of cover and the insurer may provide you with some agreed extra cover above that amount (*Sum insured plus safety net*).
- The insurer will cover all the reasonable costs to rebuild your home (*total replacement*).

The insurer may provide some cover above this amount. You should consider which type of cover is best for you.

Failure to adequately insure your home may result in underinsurance.

Warning: this Key Facts Sheet sets out some of the conditions, exclusions and limits in respect to this policy. You should read the PDS and all policy documentation for all the conditions, exclusions and limitations of this policy that limit or exclude cover.
