

COVID-SAFE FUNDRAISING

Thank you for deciding to fundraise for Red Nose Day this year. With Covid still part of our lives, we've put together a few quick tips to help you stay safe. You'll find links to other handy info at the bottom.

Follow the latest government guidelines

When planning your event or activity, check the latest Government guidance to keep everyone safe while you're having fun. Make sure you wash your hands or use hand sanitiser regularly, and wear a face covering if appropriate. Or, to keep things simple and allow as many people as possible to get involved, make your event virtual using our four top tips on the following page.

Go cashless

This year, go cashless. It's quick and easy to set up a JustGiving page at comicrelief.com/justgiving. Then, simply share your unique link or QR code with your supporters.

Get your JustGiving QR code by putting your page URL /qrcode e.g. www.justgiving.com/fundraising/MrsFundraiser/qrcode. Then take a screenshot to add it to your posters or your Red Nose Day moneybox.

Keep it safe, legal and considerate

We all love raising money for a good cause, but it's important to keep your events kind and considerate so everyone who wants to can get involved safely. Check out our handy dos and don'ts at comicrelief.com/dos-and-donts
