

FRIDAY 17 MARCH

SECONDARY ACTIVITIES & QUIZ ANSWERS

FOR TEACHERS' EYES ONLY!

Thank you for joining in with the Red Nose Day fun.

This year's quiz and activity pack for secondary schools have been designed to provide a quick and easy way to get your students involved in the event.

In the run-up to Red Nose Day, you could use them:

- during tutor time
- as activities for students to complete at home
- as a fundraiser, asking for donations to take part.

You'll find the answers to all the activities and quiz questions in this booklet, along with some top tips for organising a fundraising quiz in school. And once the fun is done, don't forget to use the giro in your fundraising pack or a downloadable paying-in slip to pay in any money you raise.

Good luck and a massive thank you from everyone at Red Nose Day!

ORGANISING A FUNDRAISING QUIZ

Do you fancy yourself as a quizmaster? Why not use the Red Nose Day Quiz questions to put on a big fundraising quiz event?

Find a space

Make sure you have enough room for everybody to sit in teams and take part. Organise plenty of pens and quiz sheets.

Spread the word

Let the students know about your quiz. Tell them when and where it is, what it's for and how much it will cost to take part.

Decide on an entry fee

Remember, all the cash you raise will go to help change people's lives. You could either charge individually, or ask each team for a donation.

Have a prize!

Everyone loves winning, so offer a prize to reward the top team! If there's a draw, you could think up your own decider question.

WHICH NOSE IS LEFT?

Red Nose **NUMBER 10** is left, as all the other numbers are multiples of 3, 6 or 7.

CRACK THE CODE

The message is
