SECONDARY QUIZ ANSWERS (FOR TEACHER'S EYES ONLY!)

Thank you for joining in with the Red Nose Day fun!

This year's quiz has been designed to provide a quick and easy way to get your students involved in the event. In the run-up to Red Nose Day, you could use it:

- In tutor time
- As a fundraiser, asking for donations to take part

You'll find the answers to all the questions below, along with some top tips for organising your very own fundraising quiz in school. And once the fun is done, don't forget to use the giro in your fundraising pack or a downloadable paying-in slip to pay in any money you raise.

Good luck and a massive thank you from everyone at Red Nose Day!

ORGANISING A FUNDRAISING QUIZ

Why not use the Red Nose Day Quiz to put on a big fundraising event?

Find a space

Make sure you have enough room for everyone to sit in teams and take part. Organise plenty of pens and quiz sheets.

Spread the word

Let the students know about your quiz. Tell them when and where it is, what it's for, and how much it will cost to take part.

Decide on an entry fee

Remember, all the cash you raise will go to help change people's lives. You could either charge individually, or ask each team for a donation.

Offer a prize!

Everyone loves winning, so offer a prize to reward the top team! If there's a draw, you could think up your own decider question.
