

TEACHERS' NOTES & ANSWERS

This Red Nose Day, the power to change the world is in your hands. Our quiz and puzzle pack for primary schools has been designed as a simple, fun way to raise awareness of the event and encourage pupils to join in with the fun and make a difference.

In the run-up to Red Nose Day you could use the quiz and puzzles:

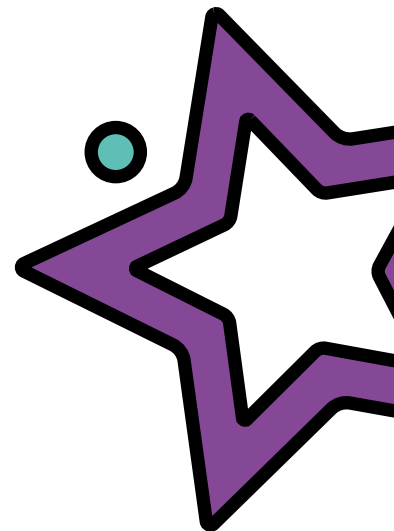

- in circle time sessions
- as the basis for fun, engaging virtual sessions if pupils are working from home
- as a fundraiser, asking for donations or a small fee to take part.

There are four separate activities to choose from:

- **Red Nose Day Quiz** – with three rounds focusing on the colour red, noses and riddles. Why not put on a big quiz event? See the box below for ideas...
- **Spot the difference** – can your pupils spot the six changes to the picture?
- **Word search** – find the Red Nose Day related words
- **Fundraising maze** – follow the lines to match the child with the fundraising activity.

If you want to use the activities to raise some cash, ask the pupils to make a donation or pay a small fee to take part. And don't forget to use the giro in your fundraising pack or a downloadable paying-in slip to pay in any money you raise.

Good luck and a massive thank you from everyone at Red Nose Day!

ORGANISING A FUNDRAISING QUIZ

Do you fancy yourself as quizmaster? Why not use the Red Nose Day Quiz questions to put on a big fundraising quiz event – either in person or online?

1. Find a space or get online!

Make sure you have enough room for everybody to sit in teams and take part. Organise plenty of pens and quiz sheets. Alternatively, why not follow the 2020 trend and organise an online Red Nose Day Quiz?

2. Spread the word

Let the students know about your quiz. Tell them when and where it is, what it's for and how much it will cost to take part.

3. Decide on an entry fee

Remember, all the cash you raise will go to help change people's lives. You could either charge individually or ask each team for a donation.

4. Have a prize!

Everyone loves winning, so offer a prize to reward your brainy pupils. If there's a draw, you could think up your own decider question.
