## Step 1: Choose the time and place

Select a time you think most people will be able to make. Then hold your quiz at home, at work, online, or in a local venue that works for you - the choice is yours.

## Step 2: Spread the word

What's a quiz without contestants? Don't forget to invite all your friends, family, neighbours and colleagues.

## Step 3: Select a super quizmaster

Who will be your quizmaster? Ideally someone who loves an audience, can be heard above the rabble and doesn't take any rubbish! They can do it solo, or team up with a sidekick to double the laughs.

## Step 4: Blag a prize for the winning team

Stir up excitement and pull in the crowds with the draw of a super prize. Try asking a local business to donate something in return for a 'thank you' and a little bit of promotion at your event.

## Step 5: Go social with your photos

Don't forget to promote and share your event on social media, tag us **@comicrelief** with **#RedNoseDay**

## Step 6: Pay in the money you raise

It's quick and easy to pay in the money online. Simply use your JustGiving page or go to **comicrelief.com/pay-in**

## Top tips to supersize your quiz

- Is that your final answer? For tougher questions, you could offer clues for a fee.
- Up the fun factor by awarding bonus points to the team with the best name.
- To help you keep your fundraising safe, legal and considerate, we've put together a few simple dos and don'ts at **comicrelief.com/dos-and-donts**
