

AN ADVENTURE WALK WITH Bluey

Bluey loves to go for a walk and explore the world around her!
For some extra Red Nose Day fun, why not go on your very own Bluey adventure walk with your little ones?

1 Spring is in the air! Plan a short walk near your setting that includes some green spaces — perhaps to a local park, or around the school field.

2 Explain to your little ones that Bluey went out for a walk and spotted eight things... for real life.

A leaf	A cloud	A tree
A bee	A butterfly	A flower
A bird	A stick	

3 Now you're going to go out for a walk to see whether you can find the same things!

Why not turn your adventure walk into a fundraiser for Red Nose Day? You could ask for donations to take part or turn it into a sponsored stroll — you can find a sponsorship form here:

www.comicrelief.com/early-years

4 While you're out adventuring, remind your little ones what to look out for. Ask questions to get them searching, talking, counting and having fun, for example:

- Can you find a green leaf? How about a yellow one?
- How many birds can you see flying in the sky?
- Who can find the tallest tree?
- What noise does a bee make? Where might you find one?
- Are there lots of clouds today? Do you think it's going to rain?
- What's your favourite type of stick? Thick? Thin? Long? Short? Curvy?

5 Once you're back from the walk, talk with your little ones about all the exciting things you discovered. This is a great way to start a conversation about the seasons. What would have been different if you'd gone adventuring in the summer or autumn?

6 Fill in the 'What did you spot?' sheet. You could either do this as a group or print off a copy of the sheet for the children to fill in themselves (show them how to do a tick!).

WHAT DID YOU SPOT?

For extra Bluey fun, why not:

- Wear fancy dress
- Invite parents, carers and even puppies...
- Take photographs and create a display
- Collect your favourite sticks and make a collection
- Share the story of your walk on social media
