

PRESS RELEASE

Emilie Bouquier appointed Director of the 'Multi-energies and Digital' BU

Teréga announces the appointment of Emilie Bouquier to the newly created position of 'Multi-energies and Digital' Business Unit (BU) Director within Teréga Solutions, a subsidiary of Teréga SAS.

This appointment marks a second stage in the structuring of Teréga Solutions' BUs. These developments reflect the acceleration of Teréga's ambition to diversify its activities. Emilie Bouquier took up her duties on 1 March 2021.

Emilie Bouquier, 39 years old, worked as Infra & Techno Department Officer within the Transformation, Digital and Performance Department (DTDP) of Teréga SA for two years. She joined Teréga in 2013 as IS Project Manager on 'core business' processes, before becoming Operations and Support Department Officer within the DTDP four years later.

Graduating from the ESME Sudria engineering school, Emilie Bouquier began her career in 2004 as Project Management Officer (PMO) at Planitec, a project management specialist, before becoming a consultant in 2006 for Accenture. In 2008, she joined the teams at AXA France Service as IS project manager, a position she held for four years.

This appointment anchors Teréga's positioning as an industry 4.0 player. After eight years with the company, Emilie Bouquier's task is to accelerate the development of multi-energy and digital infrastructure services to promote industrial and energy performance, through:

- network interconnection,
- the search for greater energy efficiency and reduction of energy losses generated by current systems,
- optimised control of the various energy sources using digital technology to reduce environmental impact.

About Teréga

A true accelerator of energy transition, for more than 75 years Teréga has deployed its exceptional expertise in the development of gas transport and storage infrastructures and now designs innovative solutions to overcome the major energy challenges facing France and Europe.
