PRESS RELEASE

Teréga partners Basket Landes for the 2025-2028 seasons

Teréga, the historic operator of gas transmission and storage infrastructure in south-western France, has announced a three-season partnership (2025–2028) with Basket Landes, a leading club in French women's basketball.

"We are proud to support such an iconic club as Basket Landes, which perfectly embodies the values of performance, teamwork and pushing beyond limits, values we share at Teréga. Through this partnership, we reaffirm our commitment to promoting elite women's sport and contributing to the vitality of our region. "

Carolle Foissaud, Chairman and CEO of Teréga

Founded in Mont-de-Marsan, Basket Landes competes in the Ligue Féminine de Basketball (LFB) and consistently performs at the highest level of both national and European competitions. The club is widely recognised for its commitment to women's sport, its ability to bring together a broad and loyal fan base, and its leading role in the sporting and economic life of the Landes region.

"The arrival of Teréga as one of our major partners is excellent news for the club. Their support strengthens our sporting project and helps elevate the profile of women's sport throughout our region. "

Audrey Lacroix, President of BASKET LANDES

Pierre Dartiguelongue, Vice-Chairman and member of the Sponsorship Committee

Laetitia Hourcade, Sales representative in charge of partnerships at the club

Through this partnership, Teréga builds on a long-standing tradition of supporting sport, already demonstrated by its backing of Section Paloise Béarn Pyrénées (Top 14 rugby), the Teréga Open Pau–Pyrénées (tennis), the Tour Féminin International des Pyrénées (cycling), and major events such as the Vendée Globe.

About Teréga

Established in South-West France, at the crossroads between major European gas flows, Teréga has exercised exceptional expertise for over 80 years in the development of gas transport and storage infrastructures. Today, it continues to develop innovative solutions to overcome the major energy challenges facing France and Europe. A true accelerator of the energy transition, Teréga operates over 5,000 km of pipelines and 2 underground storage reservoirs representing 15.8% of the French gas transport network and 27% of national storage capacity. In 2024, the company generated turnover of €488 million (excluding balancing and congestion) and had more than 647 employees. Corporate social responsibility is at the heart of Teréga's strategy, as it embarks on the energy transition to carbon neutrality. Teréga has rolled out programmes in all areas of ESG (Environmental, Social and Governance): its employee safety and its infrastructure security via the PARI 2035 programme, sustainable development of territories and social responsibility via the ENERGIZ MOUV programme, support of philanthropic projects via the Teréga Accélérateur d'Énergies endowment fund, and reduction of environmental impacts via the BE POSITIF programme with a commitment to a 34% reduction in greenhouse gas emissions by 2030 compared to 2021 on all scopes 1, 2 and 3.
